Leaders are visionary people who lead with purpose. A true leader will empower others. Kingdom leaders will become an example of what God can accomplish through obedience. Jesus is not just perfect theology, but perfect leadership. Jesus not only saw the will or plan of His Father, but He became the plan or will. Then Jesus told His disciples, "Follow Me as I follow My Father." Obedience makes this perfect leadership. Jesus understood the purpose of the Father. God's purpose is to redeem a fallen man back into relationship. For this to happen, God's will must be fulfilled on earth as it is in Heaven (Matt. 6:10). Kingdom leaders must lead with this purpose in mind.

As an Apostolic leader, I always look for people who can see the vision God gave me for Healing Rooms. People who see that vision and have passion for it, will make good leaders. When people of passion carry the vision, those who they raise up will also become visionary. I always look for people with a passion for Healing Rooms to raise up as leaders. I don't look for someone who carries someone else's vision. We should all come under a work we have a heart for. A leader cannot lead in two directions. This is very important. I have found that where we have a split vision it will lead to division eventually. A good leader will stay true to the vision they are under. If they begin to take on someone else's vision, they

will soon lose their passion for the original vision.

As I raise up a leader of passion who carries the vision, I feel responsible to mentor them and release their destiny and dreams to succeed in the Kingdom. A successful leader will always carry the spirit of the ministry.

Good leadership will always lead with the goal in mind. As Healing Rooms leaders, our goal is to establish a Healing Room and see it succeed. To have success, we must have plans and actions. Without plans and actions, you get poverty (failure). Time alone will bring poverty, because poverty requires nothing of you. Leaders follow the plan, because they know it leads to success.

Our goal in IAHR has been to develop and improve a plan that leads to a successful Healing Room. Jesus said that we are not to just be a hearer, but we are to be a doer. The Kingdom plan that God gives us is established by leaders who understand the value of doing what is required to reach the goal He gives us.

The measure of your doing will be determined by the measure of your hearing.

TONGUES OF FIRE

Greetings, Beloved!

This article is being written mainly for anyone who feels a real call to intercessory prayer. However, anyone who reads this may sense Holy Spirit speaking to them as well.

I would like to talk a little bit about fire. Basically, fire does two things: it cleanses and it consumes. This is a pretty good description of what our Father does in our lives when we come to know Him. In the Old Testament, fire is most often represented by two Hebrew words. The first one is the word *esh*, "Strong's H784", which translates as *fire, supernatural fire, altar fire and God's anger*. It is used 373 times. The second word is *ishshah*, "Strong's H801", which translates as *burnt offering, offering by fire, fire offering*. This word is used 65 times in the book of Leviticus.

I realize this may be an over-simplification of the meaning of the word *fire*, but for the purpose of what I am sharing, I believe that H784 refers to the cleansing and consuming fire, while H801 has much more to do with the sacrificial altar. In the New Testament, the word that is used for fire in the Greek is most commonly *pyr*, "Strong's G442" and is found 73 times.

Some of the more notable scriptures for me concerning fire are: Ex. 3:2, Moses at the burning bush; Psalm 104:4, who makes His angels wind, His ministers a flame of fire; and Acts 2:3, then there appeared to them divided tongues, as of fire, and one sat upon each of them. With the exception of Acts 2:3, the scriptures referenced use the

Hebrew word, *esh*, H784.

Allow me to be very candid here as I share with you my own personal experience. For the past number of months, more than I care to remember, my own prayer life has been mostly smoke with an occasional little flame! As the one who oversees Intercession for the International Association of Healing Rooms, along with the task of developing a worldwide network of fellowship of intercession, this has been very troubling to me. Our intercession meetings here in Spokane have been powerful, giving us remarkable times with the Lord, and I attribute that to the quality of people I have on my team. For them I am most grateful!

About two weeks ago, I finally went into my backroom and began to seek the Lord, asking Him, "What is going on with me? Why do I have this drought in my prayer life? What do You really want in the realm of intercession, both for me and for us as a whole?" For the first time in a long time, His presence began to fill the room and I found myself on my face, broken and weeping. He began to reveal nine mandates to contend for in intercession, two of which I want to share with you here.

The first one was intercessory tongues of fire. I am not completely sure what this is supposed to look like, but in Old Testament terminology, it would be H784! The second mandate we are to contend for is Divine combustion. My initial interpretation of this one was that it refers to a "suddenly" of God. It reminded me of a very clear word that I received from Him several years ago.

"You need to be very careful that you do not let your doctrine or your theology or even the things you think you know get in the way of what I am getting ready to do. What I am getting ready to do is unstoppable. Even your unbelief cannot stop what I am going to do. You are going to see a God you have never seen before. You will see things that you cannot find in scripture, but they will not

Tongues of Fire (continued)

violate scripture. They will only confirm it. And I will come and do for you what you cannot do for yourself."

Here in Spokane our team believes that we have a real mandate from God to begin to get on our face before Him and relearn what it truly means to weep between the porch and the altar, laying aside anything and everything, so that we can begin to see the full fruition of that which He has spoken.

One last thought! If you decide to begin to partner with us, know that when the fire comes, you will not have to wonder if this is that for which we have been praying. There will be no doubt! Your life will never ever be the same!

Blessings,
Thomas

Let the Wave Come!

I keep hearing the Lord say to me, "I'm getting ready to release a major revival in this city (Spokane). This revival will impact the entire city of Spokane. I will do great and mighty things in this revival that shall attract national and international attention.

Jim White, IAHR
International
Ambassador

Man must keep his hands off of this. There will be those who will try to control it under the cloak of stewarding it. This must not happen. Man must stay out of My way. Anyone who allows pride to creep in and take credit for what I'm doing in Spokane, I will most definitely remove that individual.

This is not a ministry thing, a church thing nor a denominational thing. It's a sovereign move of My Holy Spirit. The signs, wonders and miracles many have longed to see shall occur in this outpouring of revival. Coming with it shall be a restoration of broken hearts, homes, relationships and friendships.

A mighty wave of repentance will envelop this city causing an onslaught of souls coming into My Kingdom. The light of My Glory shall shine so brightly in this revival that it shall effortlessly expose the hearts of man, including those of church and ministry leaders. A re-visitation of the days of Ananias and Sapphira is back and I shall re-ignite the fear of the Lord in the hearts of My people. Miraculous deliverance shall come to those in bondage and addiction which shall release such a wave of My Holy Spirit's joy that it shall cover thousands and thousands in its path.

I'm calling My people back to the secret place with Me. I'm about to release many into their destinies. Healing Rooms shall play a major role in this epic move of God, thus becoming revival centers as well. What I'm about to release in Spokane won't stay in Spokane but will cover the earth. My Spirit is moving all over the earth, seeking out those who are on the My side in this hour.

The result of this revival will be a clear distinction of those who stand for righteousness and holiness from those who have a form of godliness but are powerless. My answer to terrorism is an army that is on its feet, has its faith in Me and doesn't try to entice others with intellectualism but moves in the power and demonstration of My Holy Spirit!"

For the last three nights I've been awakened with these words running through my mind and spirit. I give them with an open hand and say, "Lord Jesus, let it be so!!!"

EXTRA-ORDINARY TESTIMONIES!

Healing of Charcot Foot

Sunnyvale, California, USA

What Is Charcot Foot? Charcot foot is a condition causing weakening of the bones in the foot that can occur in people who have significant nerve damage (neuropathy). The bones are weakened enough to fracture, and with continued walking the foot eventually changes shape. As the disorder progresses, the joints collapse and the foot takes on an abnormal shape, such as a rocker-bottom appearance.

She came in with a walker and really almost couldn't even walk with that. She said the enemy tried all day long to discourage her from coming in the first place. She had to be helped into the room and everyone that was in the bottom floor of the house saw her struggle to enter. I asked her if she thought that God would heal her and she looked straight at me and said yes. She also had to walk bent over because her back hurt so much. Her 'good' leg was also causing her a lot of pain. After we were done with prayer, she popped up out of her chair without using the walker and stood straight up. She stopped and looked down at her legs and couldn't believe what she was seeing. She started to laugh and cry at the same time. She then took a step and started to laugh even more. When we opened the door everyone stared at her and started to praise God and applause broke out. She came with several others from Bethel church on Winchester and with her husband. The noise carried on for a while until she left. All who were still in the soaking room were stunned at first and I'm sure encouraged by this.

Healing Rooms Kids

Spokane, Washington, USA

As our group of Healing Rooms Kids prayed over the paper of the first person to receive prayer, it was clear that the kids were to 'leak' and 'light' their way in prayer. Hilarious and very effective, the laughing was contagious and the healing was noted. From a scale of 0 to 10 with 10 being the most pain, the person prayed for went from an 8 to a zero! Their countenance and look of pain had left their face and they were able to joke around with everyone. The next two people prayed for by this group got a similar prayer 'technique' with the same results! Can't you just hear the angels in heaven laughing with Jesus?!

Healing Rooms Israel

Toward the end of 2014 we had a supernatural visitation in the Healing Rooms. We were worshipping and the "kavod" (heavy weight of His glory) filled the room and us. Everyone had to get on their face, it was glorious. No one was able to talk for quite some time. This kept happening for several weeks and as of a email sent in January 30, 2015, was still happening.

2015 World Doctors Conference

It is time for the medical community to know that God is for them and wants to work with them. He called them to be healers, gifted them with abilities and medical training and has made a way for them to fulfill the desire of their hearts to see people truly healed and made whole - through prayer!

This conference will explore how God works together with the medical community. And why you should include prayer in your field of study. If you are involved in any branch of medicine from dentists to neurosurgeons, chiropractors to hospital administrators this conference is for you!

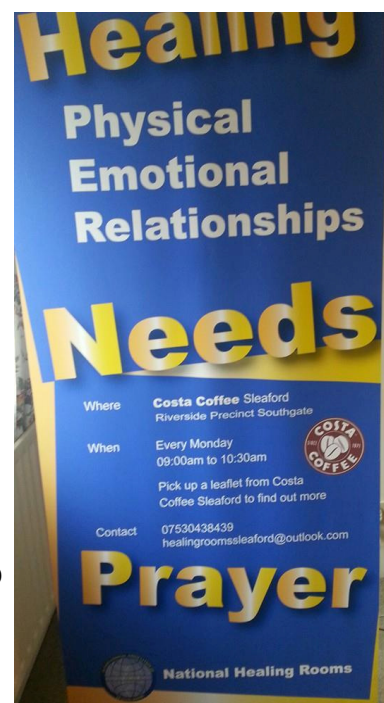

Healing with Your Coffee Anyone?

Hello! We are Chris and Linda Bennett from Sleaford, England and we've launched a Healing Room in a Costa Coffee, which is comparable to Starbucks.

The model for a marketplace Healing Room is much different than your in-house Healing Room. For one there's the lack of privacy and it's not as intimate, but we've found that lots of people are comfortable with sitting at a table just chatting (praying) over a cup of coffee. It's much less intimidating than walking into a church or a building dedicated solely for prayer. A lot of people won't cross the threshold of a church so this gives them an alternative.

Yesterday a woman who was visiting from Armenia stopped by our table and wanted prayer for a sore shoulder. After prayer she was able to lift her arm over her head with a full range of motion. She was delighted as she hadn't been able to do this for over six weeks!

We love being in the town centre where the people are and we're thrilled that the Costa Coffee chain is owned by a Christian who wants his stores reaching out to the community. We're excited to see what God is going to be up to next!

Over the past three to four years I have been struggling with what I do at the Healing Rooms. I have come to realize that I had lost the vision for Healing Rooms that God put into my heart over 15 years ago. Without vision it is impossible to see, or to step into the destiny God had for me. All my energy was focused on how soon I can leave. But, here I am still working in IAHR.

PHOENIX RISING

You may ask why I stayed if everything within me wanted to leave. The answer is simple. God told me I needed to stay for the Directors I have been serving for almost thirteen years. There it is. I chose to stay to be obedient to God and faithful to those I serve.

Debbie Powell
IAHR Manager

That obedience to my Papa has paid off as sometime between December 19th 2014 and January 6th 2015 God broke something. He removed the heaviness I had been carrying. He restored my joy and He is healing the physical infirmity this created in my body. Even as I write this, I am experiencing a physical change. The last remnant of the stronghold being eliminated from me.

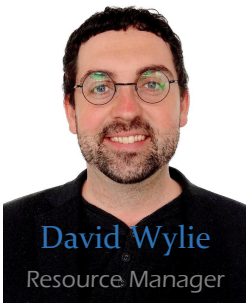

As the manager for IAHR I now, again, enjoy coming to work. I have vision for the department. I'm excited to see what God is going to do – today, next week, and next year. I see a future for myself. But most of all, I am thankful – to God. Oh my gosh! To God for His unbelievable love that can break any yoke. To Cal and Michelle for believing in me and to those who have carried me in their hearts.

Coming out on the other side, I can see that God said exactly what I needed to hear in order to keep me where He wanted me. Before I could see His plans for me, I had to come to the end of myself, and then like the Phoenix rising out of the ashes, I have been restored, refreshed and renewed.

His plans for us are simple and we can all follow them. Listen to His voice, listen to His heart and walk in obedience without an undertone of our agenda. When we do this, we will ALWAYS receive the breakthrough.

We are in an incredible season in the healing culture that we are blessed to be part of. I sense that from here on out less and less people are going to deny that God is healing today because they will experience this kind of love first hand. I believe God is very pleased with Healing Rooms Ministries and is going to continue to pour out his love on us as we abide in him...in unity and in the Kingdom convergence between a variety of ministries that the Healing Rooms partner. Here are some resources that we could get, not just for ourselves but also as a gift for those people that he is trusting us to equip and influence these days. I have this strong sense that generosity of Kingdom

resources like these will help us to pull more heaven to Earth. So treat yourself and treat others with some Kingdom resources. Here are my recommendations. Enjoy! Love you all! **You can find all these books and more in our bookstore. Website: [{Click Here}](#)**

Testimonies...If God's done it for one, He'll do it for you!

Delivered of Satanic Abuse and Self Hatred

Praise to God the Father, God the Son and God the Holy Spirit that I came to the Healing Rooms to be freed from generational curses and unclean spirits. I was mortally ill both spiritually and physically. Today I am completely healed by Jesus.

I was born illegitimate and was abandoned by both my parents to my maternal grandmother until the age of 7. I then came under the care of my mother whom openly despised me and was ever willing to sacrifice me on the altar of her lust. So much so that she thought it acceptable to hand me to a professed Satanist and pedophile for 4 years so that she could keep him. By the time I left home at 15 I had been systematically brutalized, physically, sexually and emotionally.

I believed that God hated me and had made my life a hell on earth. I knew that my upbringing had been deliberately engineered for me to self-destruct so I fought to stay alive. I would not give up or give "them" the satisfaction of seeing me die. However, my struggle led me down paths that made my life unbearable: drugs, destructive relationships and the occult. My motivation was trying to stay alive and deal with all the emotional pain but instead of making things better I was making it worse.

When I was 30 I decided that the only way to get my soul back from Satan was to "get God". However, I truly had no concept of how to "find God". I felt like a bug trapped in a jar. Satan's influence in my life was blocking me. Whilst I had a desire to be saved I did not want to attend any church nor did I form friendships with Christians. I found that I could not read the Bible without falling asleep and that I could not remember, make sense of or believe what I did read. I continued to wilfully commit grave sins with no conscience and things were not getting better. In fact they were getting worse to the point where the men that I was becoming involved with were actively trying to kill me.

I felt that I was so truly unlovable that God had abandoned me and that it was just too late for me. I was wrong.

Six years later the Holy Spirit led me to the Healing Rooms and in the very first prayer session Jesus lifted the lid off the jar. I was free of curses for the first time in my life! I felt like a ton of weight had been lifted from my shoulders. I felt like I was able to stand straight and it seemed like I gained a foot in height! Subsequent healing sessions have freed me of unclean spirits and cured my health problems. I have not been physically ill since attending the Healing Rooms. Praise and thanks to Jesus that I had heard about the Healing Rooms from a friend at work.

I find now that the Holy Spirit is working a miraculous transformation in my life. I know that I am saved and that God loves me. He kept me alive so that I was able to be saved. I am able to read the Bible for as long as I like and I am energized! The Bible makes sense and I want to read it. Jesus has so melted my heart my tears just flow for Him when I think about His sacrifice for me and us all. My attitudes have changed so dramatically that I would have thought it impossible. The Holy Spirit has been growing a conscience in me and helping me to repent. I have become everything I had been taught to despise from my upbringing and it is wonderful!

Mark 16:18b ...*they shall lay hands on the sick and they shall recover.*

We are an association of Healing Rooms Ministries in churches and cities with a common vision to re-establish healing in the Body of Christ. Our commission is based on Mark 16:17-18, "And these signs shall follow those that believe...they shall lay hands on the sick, and they shall recover."

The vision is to see Healing Rooms in every city and every nation, linked together in unity around the world. Our goal is to establish uniformity and accountability in each work by offering, through association, the tools to properly equip each Healing Rooms.

Our focus must be on the presence and power of the Holy Spirit who works through us to heal the sick. To Him be the glory!
