SPOKANE EVENT SCHEDULE

We all have friends who have been battling cancer. Because the battle is “life or death”, we sometimes are at a loss as to how we need to minister. The enemy not only brings sickness, he also brings fear to the mind to cause us to believe we will die. The goal of fear is to steal the power of faith that produces our healing. The spirit of cancer is fear. When we are diagnosed with cancer, fear comes as a flood. The purpose of fear is to get our agreement. By fear we agree with the enemy and empower his will rather than God’s will.

Herein lies the battle: the enemy tempts us with cancer to cause us to believe in what he does, to curse us. The enemy knows that we have authority over him and the lie of cancer. You have been redeemed from the curse of cancer by the blood of Jesus. (Gal. 3:13) Even Webster’s Dictionary defines cancer as destructive - “Any evil condition or thing that spreads destructively.” If he can cause us to believe in the lie, we will lose our faithfulness.

When we are battling a life-threatening illness, it’s hard to deny. It’s important to realize that we are not denying the battle; we are denying the devil who brings it.

Truth sets us free; the lie binds us up. The lie is that we have cancer. The truth is “How can I have cancer when Jesus already bore it for me?” Truth will always trump facts. Truth created all facts. It is a greater reality. When the devil says you have cancer, you can say, “The truth is that I am healed!”

The lie (cancer) wants to manifest in the natural (seeing) realm by causing us to have a belief system that lines up with the bad report rather than the good report of Truth. When the doctor confirms the bad

report will we believe and accept it? The report should just be an indication where the battle is. When we accept the bad report, we are coming down to the level of the enemy and fighting on his terms. The battle isn’t against flesh and blood, but against rulers, against powers, against the world forces of darkness. (Eph. 6:12) The battle is against the your authority over all the power of your enemy. (Luke 10:19)

No symptom, great or small, painful or not, determines the truth that we are healed by the stripes of Jesus. The battle is in the mind which needs to be renewed to Truth so that it doesn’t believe the lie. The lie, which is empty, will remain until we fill it with our beliefs.

God wants us to have His perfect love so that we will trust in Him to deliver us from all fear. *II Timothy 1:7 For God did not give you a spirit of fear, but of power and love and a sound mind.* Notice fear is a spirit but God’s love gives us power and a sound mind.

I John 4:18 There is no fear in love; but perfect love casts out fear because fear involves punishment. Notice that fear involves punishment. The enemy wants to bring fear to us to punish us with cancer.

God’s perfect love will cast out fear and deliver us from all punishment because the truth is “You are healed by the Blood of Jesus!”

When the Lord told me He wanted me to rest, be still, be quiet, don't worry, and rejoice, I thought about the Scriptures that reference how we need to strive to enter His rest. (Heb. 3 and 4) I also remembered what Bill Johnson said — that the Lord lives in every one of us, but He rests on very few. I believe that coming into that place of rest the Lord is referring to is a place of complete trust, a knowing that God has your back no matter what. I think that it's only when you have entered into that place of supreme rest that the Lord is able to truly rest on you.

He will not come to rest on a place of turmoil or a place of fear; He will come and minister to you in that place but He will not come to rest there.

It is from that place that we can begin to operate in the authority of God and also in His power. We throw those words around so lightly without stopping to think what they really mean. It's important to believe that you have this but it is an altogether different animal when you KNOW that you have it, you KNOW that what you speak will happen.

I also think that when we talk about having the mind of Christ we do not really understand what that means. It's not just having Christ-like thoughts or being able to read someone's mail prophetically or give them a word of knowledge; it is much more far-reaching than that.

It's beginning to see what God sees and understands; seeing and understanding things that have not even been created yet in eternity and what they will look like. I don't know how else to explain it; it's being able to think clearly in the middle of a storm or when everyone else is panicked, it's that place of rest. Only hearing one Voice and one Voice alone. I need more revelation on what it all means.

This coming year will be a year you will want to be at rest in the Lord for many reasons. The best one is that for those positioned in a place of rest and trust, there will be doors that begin to open for you.

It's not enough to have an open door, you have to walk through it. It sounds easy but it will take faith on your part. Quite often open doors do not look very open or very enticing. They are much easier to discern from a place of rest.

One last thing, I believe that many of us will find out how many open doors we missed when we stand before the Lord. Let's not miss any more as the largest and most dramatic ones await us in 2016.

Just remember Mark 9:23 *If you can believe, all things are possible to him that believes.*

Have a great 2016. The **BEST** is yet to come!

Thomas

EUROPEAN HEALING ROOMS CONFERENCE AND RETREAT 2015

Report from East Europe Divisional Directors, Paul and Eve Clift

*"The **European Healing Rooms Conference** was held at One Heart Church in Stockholm, Sweden in the middle of October.*

"The conference was organised by Maria Sjögren, Director of the Healing Rooms in Stockholm. Cal and Michelle Pierce were the main speakers and the praise and worship was amazing - such anointed singers and musicians.

"After the conference, a group of European leaders went on retreat to Akerogarden, about one hour drive from Stockholm. It was such a wonderful time together. The presence of God was so real. We just spent time together and He was present with us. There was such a sense of unity, even though there were many languages and cultures. We received a foretaste of what the unity of the Body of Christ is like."

Cal and Michelle giving an impartation

Report from Northeast Divisional Directors, Markku and Suzanne Laitinen

*"**Healing Rooms European Conference 2015 in Stockholm** was a blessed event. We had participants from 11 nations, particularly Healing Rooms team members from Finland, Norway, Denmark and Estonia. We received feedback from many of them that they found the conference really encouraging. Cal and Michelle did a wonderful job with their strong messages - not only of the importance of healing but the ministry of the Kingdom of God more widely. We need these kinds of oasis moments where we get encouraging teaching, hear wonderful testimonies of what Jesus has done around the world and meet Christians from different nations. There were many healings during the conference. It was a wonderful time together in God's presence!*

"The past year 2015 has been a big change in Europe in many ways. It seems that it is becoming increasingly difficult to "predict" what will happen tomorrow, not to mention what the world will look like in 6 months. There is more and more need to build and strengthen the network in the Body of Christ. It is time to pray for the strategy for Healing Rooms Ministries - in Europe and globally. One of the enemy's plans is to hinder our unity and resist the unity in the Body of Christ. One of my prayers has been a strategic partnership with different ministries so we could do more, effectively, and support each other. Divine synergy in the Body of Christ! '... that they may be one ... that the world may believe' (John 17)

"After the conference we had a Healing Rooms European leaders retreat near Stockholm. The retreat was a good time to discuss the situation of how Healing Rooms Ministries is proceeding in different European countries. We encouraged each other in prayer, and had a precious time together in God's presence."

SWITZERLAND

From Werner Christen-Zehnder of Heilungsraum - Healing Rooms - Dürdingen

"My wife and I attended the September 2015 Leadership Summit in Spokane, Washington, USA. It was an encouraging, powerful and wonderful time.

"During the conference I took part in the guided tour of the HEALING ROOMS. That was really impressive. Above all, the wave in the room "WAVE" spoke to me very much. I love waves and the mural in the Wave Room is still in my memories.

"While in the Room, I had a powerful experience in this room WAVE. I was so fascinated by the wave, which was painted on the wall. I turned directly towards it. My shoulders were wet; I felt the force of the wave, the humidity, the water.

"There was another person in the room and I asked her if she wanted some of that wave power. I reached out my hands and she felt the strength of the wave being sent to her. She flew to the opposite wall, slid down the wall and remained lying on the ground for a while. Surprised, I asked her how she was. She was fine and she was overwhelmed by the power of God. Wow!

"We would like to have the same experience of this power of God. I know it does not depend on the image of the wave; it's God and His power."

AFRICA

Carol Campbell is Africa's Divisional Director, as well as the National Director to South Africa, and she has partnered with God to take back Africa. During November, Carol and Pastor Grace, our National Advisor to Uganda, went to Zambia and Malawi to provide Healing Rooms training and to watch God work.

During their time in Zambia with Pastor Steward Kasanzhi, National Contact to Zambia, God's

miracles occurred in many. This baby's right eye (*see photo*) was completely glued shut: flesh to flesh. It was sealed without a groove indicating an opening. God provided the separation in the lids and the baby's eye opened.

In Jacobsdal, Orange Free State, South Africa, where they did training, they were experiencing a terrible drought. During the Sunday morning service, Carol had the congregation make declarations for rain. They also thanked God for the rain, they blessed the rain that was going to fall and blessed the land. That afternoon the rain

started to fall and lasted for three days.

As Carol and Pastor Grace were leaving for the airport to travel to Malawi, which has been in a drought, too, they started calling down the rain and thanked the rain for falling. By the time they reached the airport, the heavens opened and it rained. Praise God for the life giving rain that falls!

CHINA

We are seeing such hunger for Healing Rooms in China; after our opening in 2014 in Kunming, we have had two new Healing Rooms. We just finished the eighth training. This last training has produced Healing Rooms in Shanghai and He'nan Province.

The two Healing Rooms in Kunming served 93 people in November; almost half of them were visiting for the first time, with 14 converting to Christianity. We are praising God!!!

We ask that you would partner with us in prayer, that in the next year -

- God will open more doors for Healing Ministry in China.
- Healing Rooms Ministries in China will make significant breakthrough in diseases such as fourth stage cancer, cerebral palsy, any kind of brain damage and genetic defects.

USA State Director - I have been visiting all the Healing Rooms around our state and I started a "State Prayer and Fasting Day" for the Healing Rooms every Wednesday until all the Rooms were prayed for. Each week a different Healing Room submitted their prayer request list; then the Room was prayed for. The words the team received in prayer from our heavenly Father were emailed to that particular Room.

Now that all of the Rooms have been prayed over, we are praying twice a month on the first and third Wednesdays.

In my prayer time, the Lord said for me to focus on the unity of the Healing Rooms and even specified the importance of the hour prior to opening their doors.

He gave me Scriptures that related to everything Healing Rooms do in that hour. He led me to the consecration of the priests in the temple and the Scriptures. He mentioned how important that was so He could dwell there and speak. He said this was necessary preparation before the harvest coming to the Healing Rooms.

USA State Director - We are so grateful for what the Lord is allowing us to experience in our Healing Rooms! THE HARVEST IS HERE! GOD IS GIVING US THE NATIONS!!! From the beginning when our team members started sharing Jesus in their work places, churches, and wherever they go, we have seen many salvations, deliverances and a great move of God!

On a single night we've had Muslims, Latinos, Jews, Asians, Africans, and even children that come dealing with fear and other issues. It's so awesome to see them being touched by God in special ways!

The Lord told us to start decreeing and declaring that The Harvest is Coming and prophesying SALVATIONS. We've seen it from the beginning because that's the Heart of God and we are agreeing with His will and His Heart!

Let's be aware and grab hold of The Great Opportunity that God is setting before us in the most exciting time to be Alive and use our Healing Rooms as Centers for Salvation, Restoration, Healing and Equipping the Body of Christ for The Glory of God!

Sarah's Vision of Armor

I had this vision on September 18, 2015. Pastor Cal Pierce asked us to envision the armor for a few minutes before he told us his vision. When I did this, I had a vision. This is what I saw:

I was walking into the presence of Jesus when He took me by the hand and said, "Welcome, My daughter, into My Glory of the portals of armor." Then He put His hands over me and said, "My daughter, you are ready to receive from Me My full armor."

He began covering me with the breastplate covered with His blood, and then handed me a spear, which stood for His Word piercing with His love.

Next, He placed into my right hand the weapons of warfare, of wisdom, knowledge, His Word, and prayer; and over that He set His dove of the Holy Spirit, sealing His Word. Then He put

the wings of His strength on my feet and ankles and covered my back with His love, humility, compassion, and courage.

He said, "My daughter, you are now equipped with My authority and power to go forth to bring My people out of the stronghold of the enemy and to bring them into the Kingdom of Jesus Christ."

Sarah's Vision Painting Scriptures

by Carol S. Bott

From Joel 2:28-30 and Revelation 2:7 (Sarah's revelation, compilation, and download of these Scriptures)

"As you reach for Me, I will pour out My Spirit unto all the world. I will show wonders in the Heavens and in the earth, blood, fire, and pillars of smoke. It will come to pass that whosoever will call on the name of the Lord will be delivered. There shall be deliverances. You will know that I Am the Lord your God and none else.

He that hath an ear let him hear. To him that overcometh, I will give to eat of the Tree of Life. This prophecy has not been fulfilled, but it is ready to take place, which is in the midst of the Paradise of God."

Excerpt from Ontario, Canada Convention: October 2015
Ministering to Those Living in the LGBT Lifestyle
By National Director Maggie Barrato

I had a conversation with a woman who was struggling with several issues and she shared with me that she was bisexual. She told me that some Christians had recently been praying for her, in a way that had wounded her. She explained, "They prayed that I would get the 'straight' gene." She began to weep and looked at me and asked, "Are you going to do that, too? Are you going to pray that over me?"

As I sat there, a deep compassion for her suddenly overwhelmed me and I could feel her pain. It deeply affected me. All I could say was, "I don't want to hurt you any more than you have already been hurt."

I felt a strong desire rise up in me to protect this woman from being hurt. I was sitting there, struggling to contain these emotions when I realized that what I was feeling was the Father's love for her. I wanted to cover her and protect her from the harmful words and actions of others. I was thinking, "God, I don't want to judge or condemn or damage people any more than they have already been damaged. The nature of love is to cover and protect."

She asked, "Are you going to tell me that there's something wrong with me because I'm bisexual?" Then she spoke defensively, "And I don't care what you say because that's who I am."

I answered, "I wouldn't want to go there, if you aren't ready to go there." I gently explained that we all have doorways into our heart, where we have been hurt, where we are struggling and I wouldn't want to go where I wasn't invited. All the while a compassion for her was flooding me.

When I went home that day, this interaction stuck with me. As I was sitting there considering the issues of bisexuality and homosexuality, the Lord interrupted my thoughts with a question, "Maggie, what's your agenda here?" I realized that deep down, I did have an agenda - a soulish agenda, a religious agenda - and was trying to figure out how I could straighten this gal out.

Another question came, "What if you minister to her for months and she continues to be bisexual? Will that matter to you?" At that moment, I laid down my agenda, and picked up the Father's agenda for this situation.

Father, help me to have no agenda except to release Your love. It's not up to me to change a person's mind or heart. It's up to me to be a vessel of Your kindness and love. Only You can change a person.

What a relief... I just get to love people!

God has been speaking about focus - focus on what is most important, focus on what He has actually called us to do, focus on our strengths, focus on Him!

In keeping with that word, we have made some changes to our online bookstore. Though we have great respect and value for the vast diversity of Christian materials available to the Body, we have realized that with that great range of products comes extra responsibility, man hours, cost and loss of focus from the core of what God has called us to do. There are many other sources from which you can find those diverse materials, who have a calling to provide them. We feel it is God's desire that we focus on our own materials (and a select few others) that we might provide the best products and service possible.

We expect to be fully transitioned by the end of January but feel free to visit our newly slimmed-down bookstore now to see the items that are the heart of our ministry.

Check out the new electronic version of our best-selling *How to Minister to Specific Diseases*. Now you can have this easy reference guide right on your phone or tablet so you can "be ready in season and out of season"!

Testimonies...*If God's done it for one, He'll do it for you!*

Pasadena, CA (Rev. Linda Granillo) - *This is to give God the Glory and Honor due His name for showing Himself strong and using God's people at the Healing Rooms-Pasadena, my hometown.*

On May 14th, the Doctors told me they had finally found what was wrong; unfortunately, I had been misdiagnosed and was now learning it was 4th stage uterine cancer. The doctors did not want to treat me at all until I insisted and also mentioned how they misdiagnosed me. Yes, I needed treatment, so after 6 months and 6 rounds of chemo, my levels came down from 1130.76 to 25! I was told by the oncologist today, October 13th, that he was "utterly amazed because levels like that don't happen when they come in at last stage, and with high numbers for the cancer gene." He also stated that **if** he could pronounce me "cancer free" he would...but could not. He stated that 25 was a Normal Read like someone with NO cancer!!!

The Healing Rooms ministry has constantly prayed for me since Day 1 and has been a source of inspiration and help to me and my family. I thank God for this ministry, the unity and humility of His people that ties us all to HIM and to Believe. The first session I had, I knew God had touched me through His people. I know the doctors have a job to do, but we know the God of Miracles. Glory to God!!!

Plain City, OH (Brenda) - I have been having trouble with my bladder. For months, there has been blood in my urine. I was prayed for by a person at the Plain City Healing Room. I felt the power of Jesus while we prayed. The next day I went to the urologist for a test. Everything was clear and good. God is good.

Plain City, OH (Richard) - On September 28th, I came to the Healing Rooms and received prayer for my right shoulder and lower back. The following morning I awoke with no shoulder pain. I went about my daily activities with no pain. Thank you, Jesus! I'm Healed!

China - Sister Tu from Sichuan Province has been a Christian for a decade, but could not get rid of her hopelessness and depression. She had been feeling heavy-hearted all the time. After she got prayer, she testified that her emotions and spirit were released and her sacrum (sacral bone) pain was healed.

A 79-year-old, Sister Chen's knees were healed the first time she visited the Healing Rooms and dedicated her life to Jesus and she now eagerly spreads Jesus among her friends. Amen!

Anna has had cervical spondylopathy and her back bone had hurt for a decade. After prayer, she was totally healed.

Brother Sha, who suffered from a stroke seven years ago, could not lift his right arm and right leg. After prayer, he is able to do what he could not do before, and his right arm and leg are regaining the same strength as before.

Sister Wang's pain on her shoulder was gone after prayer.

Sister Qin's knee, which was destroyed, was restored after prayer.

Sister Chen's pain in her joints disappeared after prayer.

Sister Zhu had a cerebral infarction eight years ago which caused paralysis on her left side. After prayer, she regained her sense of feeling on her left side and could even stand on her left foot.

Zhang had chronic pelvic inflammation. After she received prayer, her doctor reported that she is totally healed.

*Mark 16:18b ...they shall lay hands on the
sick and they shall recover.*

We are an association of Healing Rooms Ministries in churches and cities with a common vision to re-establish healing in the Body of Christ. Our commission is based on Mark 16:17-18, "And these signs shall follow those that believe...they shall lay hands on the sick, and they shall recover."

The vision is to see Healing Rooms in every city and every nation, linked together in unity around the world. Our goal is to establish uniformity and accountability in each work by offering, through association, the tools to properly equip each Healing Rooms.

Our focus must be on the presence and power of the Holy Spirit who works through us to heal the sick. To Him be the glory!
