Recently I received this word from David Hauser in California. David and his wife, Glendae, are our Region 7/8 Directors.

*“Cal, my spirit has been stirred today. A friend called me and said that God had been following him around the house, and he had to call me.*

*The Lord spoke to him about a healing evangelist by the name of Boatright. I hadn't heard that name in years. When I was growing up I went to hear him speak in Los Angeles. This man had many miracles happen through him. Early in his ministry, God sent him to Sao Paulo, Brazil where he was told by God that there would be a revival. But it didn't occur until after several times of him preaching.*

*He asked God, 'Where is the revival you promised.' And God said, 'It is behind the couch.' Wherever he went he looked behind the couch and there was a cripple.*

*God said, 'Speak life to them.' He would and they were instantly made whole. They came by the hundreds to be healed, and revival swept through the city.*

*Cal, I want you to know that as we enter into 2017, I am looking for the man behind the couch. I hope this makes sense to you.”*

This word greatly impacted me, especially as it came at Christmas time, and I will tell you why.

When I was a young boy my dad would ask me what I wanted for Christmas and I would tell him about something special I wanted. On Christmas day, the gifts were under the tree but as we opened the presents the special gift I wanted was not there. Dad would then ask, “Did you get all the gifts you wanted?” And when he saw the discouragement on my face, he would say to me, “Go look behind the couch.”

You see, the greatest gift was always behind the couch.

Sometimes the best gifts are not where we expect them to be.

As we enter this new year, God is saying, “LOOK BEHIND THE COUCH!”

Healing Rooms*

# INCREASE!

John and Linda Keough  
Region 9 Directors

Many of us keep hearing things are Shifting, and things have Shifted. Shift has happened indeed!

It is a New Day and a New Season. Hallelujah! I, for one, am *so* happy and *so* ready for the New.

One morning as we were worshipping in the Glory Room, the Spirit started to speak to me.

## INCREASE

- Anointings

When He spoke INCREASE in Wisdom–Revelation–Knowledge, I saw a treasure chest with a Key inside, the top of the Key had a Crown on it. For He truly has given us the Keys to the Kingdom. In this new season He will be showing us more about that Key, about His Kingdom, and how to use the Power in that Key; Power to release His Kingdom on earth.

When He spoke INCREASE in Anointings–Inheritances–Spiritual Gifts, I saw a relay race and the runner was passing the baton. He was handing over or transferring - Gifts, Anointings and Destinys (or you could say mantels.) Some batons were from those who have gone before us, others were family inheritances. We also have been given an Anointing and the Word says freely you have received – freely give it away. There will be an INCREASE of the flow of the Anointing of God. To use, through us and upon us.

Get ready to Receive His INCREASE.

For His Glory – *Linda Keough*

## Unity Out of Diversity

David and Glendae Hauser  
USA Region 7/8 Directors

There are many wonderful promises in the Word of God. Such as "Ask of Me and I will give you the heathen for thine inheritance, and the uttermost parts of the earth for thy possessions." Other promises that comes to mind - "Seek first the Kingdom of God and everything else will be added unto you," or "I was young and now I am old and I have never seen the righteous forsaken."

There is one promise that I long to see more of, and that is that God will bring a **fresh breath of Himself** into His body that will create the kind of unity that causes the **enemy to tremble**.

In Scriptures trees are symbols of humanity. I think about the **Healing Rooms** and how God speaks of our teams coming together, praying the same prayers, believing the same thing, and, thus, to see miracles exploding around us.

**Isaiah 41:19-20** - "I will plant in the wilderness the cedar, the acacia, the myrtle and the oil tree; I will set in the desert the cyprus, pine and box tree together that they may see and know and understand and consider that the hand of the Lord has done this and the Holy One of Israel has created it."

Another Scripture that speaks to this oneness is **II Chronicles 5:13** - "It came even to pass, as the trumpeters and singers were as one, to make one sound to be heard in praising and thanking the Lord; and when they lifted up their voice with the trumpets and cymbals and instruments of music, and praised the Lord..."

The Acacia tree grows wild in tropical countries with beautiful flowers, and is used in **making perfumes**, furniture, and **glues**.

The Fir tree **stays green in winter**. Its wood is used in musical instruments. The bark has a sticky resin which **speaks of loyalty and staying together**. An important note is that **music is the art of combining instrumental sounds and tones to different melodies, harmonies to form complete emotionally expressive compositions**. This is what happens **in the Healing Rooms as God brings churches together in teams to ask for miracles**.

The Myrtle tree is used to **make perfume**; it was sacred in many cultures and was used by artists in religious paintings and is seen in the background of pictures of the baby Jesus.

The Clove tree was used as a **fragrant spice**, and the fruit was used as a **preservative**. Jesus said, "I have not lost any that You have given Me, except the son of perdition."

The Blue Gum tree is an evergreen tree with **aromatic leaves**.

The Cyprus tree was **planted in graveyards**, because of its shape and the fact it pointed up to the sky. It is also an evergreen. The Bold Cyprus has roots called **Knee Roots**. Its wood is valuable because even under adverse conditions, when wet it is still useful.

There are many more facts that can be shared about trees, but I hope that it shows that we as "trees of righteousness" coming from different backgrounds, that when we submit ourselves one to another and to the Lord of the harvest become a powerful instrument in the hands of the Holy Spirit.

As we enter 2017 may the Healing Rooms prosper in all that we do in the Kingdom of God — *Glendae*

## ***Carryduff, North Ireland***

(In September 2016, Carryduff Healing Rooms celebrated their tenth anniversary as a part of IAHR. They sent us a report highlighting the achievements through their testimonies. We wanted to celebrate with them.)

Almost everyone who comes to Healing Rooms talks about experiencing God's presence and peace. At different times, we have people come to shadow us on Thursday nights, and see what we do as they consider starting a Healing Rooms Ministry. One lady in such a group had lower back pain. The team she was with prayed for her and she was instantly healed which was a real encouragement for her as she wanted to start to pray for healing for others.

### ***Some written testimonies: -***

*"After surgery on both feet, I was left with a sensation in one foot of a live electrical cable sparking with another. It was a horrible sensation like an electric shock, it made me feel nauseous and was very annoying, both day and night, with no warning or pattern. When I told the physiotherapist about this, he said a nerve had been cut in surgery and the sensation was the body trying to heal the cut nerve. That made total sense to me. As the first person began to pray, I said, "I have a different sensation in my foot". When the next person prayed, I knew it was healed and said, "That's it, my foot's healed". The third team member then anointed my foot and sealed the healing! As I returned across the foyer I told everyone waiting for prayer that my foot had been healed. A few weeks later, the same nauseating sensation returned to my foot. It was like a demon scraping a big dirty fingernail across the instep of my foot. BUT it was the wrong foot! I told him, out loud, "It's the wrong foot! Jesus has healed me! You go back to where you came from!" and the pain left immediately.*

The Enemy will always try to challenge what God has done, trying to take back territory he has lost to Jesus. That's why it's important to know how to hold on to your healing, and not give way. I give all the glory to God for this wonderful healing, and often share this story.

*"Prayer in Healing Rooms gave me my salvation and a heart to pray for others. A good report for my Mother's diabetes and hope for a friend's salvation, pain relief for myself and much, much more."*

*"I came for prayer for an emotional wound by a friend, and with a very heavy spirit. After prayer, the heaviness lifted and I was strengthened."*

*"I had no sense of taste or smell for 15 years and even after surgery for my sinuses still no change. I decided to come to Healing Rooms and I believed God would heal me and He did. He fully restored my sense of smell and taste after 12 days.*

### ***Some answers to prayer from Prayer cloths: -***

*From Sweden "Thank you so much for your precious gift for me, my knees are better but not good enough yet. I put the cloth between my knees and pray and I have no pain at night now. Thank you so much for your care and prayers."*

*"Thank you for prayer for my daughter's father-in-law who had two heart attacks. He can now feed himself and can walk by himself which you prayed for. The Drs said it is a miracle."*

*"Thank you so much for the prayer cloth and accompanying leaflets. Many thanks to for the team's prayers which are greatly appreciated. To date I have come to realise that as well as worries I must commit the stresses I have been under to the Lord. The fact of doing just that has given me a wonderful sense of peace and I have received great encouragement in the last couple of days."*

*Continued on page 5*

Continued from page 4

**We also follow up those who have indicated they are happy for us to do so. Here are some of the responses:**

*“I just want to thank you for providing Healing Rooms. Just to be in God’s presence among people of faith encouraged me so much. I was feeling desperate and alone and you were there providing a shelter and support. I couldn’t pray but you prayed for me.”*

*“Lovely of you to be in touch. I am coming up to a year in April when I was healed from addictions and I am walking in freedom daily.”*

*“Thank you so much for remembering me and for writing, I am very well thank you.”*

**As well as prayer cloths, we also pray for requests from individuals and by email: -**

*This request came from America – “Thank you for praying for my brother Gary to find a suitable job, he has health problems and struggles with depression. He was worried about his dire financial situation and is a new believer. He needed a job with health and dental benefits. Well, he got his job on Monday, it provides health benefits and they have told him he will be due a raise in 3 months.”*

*We received thanks for prayer for a gentleman in Belfast City Hospital with kidney failure, to say he was well again and back to work.*

*We prayed for a 70-year-old lady who was in so much pain in her back she could hardly move in bed. The next day she was able to get up and the following day she was out doing her shopping.*

As we were praying about utilizing our facilities to their fullest, the Lord gave us a vision to establish a Kingdom business called The Loft. The Loft is a higher end thrift store selling quality clothing, furniture, home décor, household and gift items at affordable prices.

This is both a blessing to the community and to the ministry. It allows us to provide another practical service to our community as well as an opportunity to see a variety of people who might not otherwise come into the Healing Rooms thus we are often able to introduce many to the ministry for the first time.

This type of business means your inventory is donated free to you, allowing people (friends, family and team) to declutter their homes and have their surplus go toward furthering the Kingdom.

We call that a win-win!

If you might be interested in starting a thrift ministry, we would be happy to talk with you about the process. Please contact us at [theloftboutique@healingrooms.com](mailto:theloftboutique@healingrooms.com)

# Testimonies...If God's done it for one, He'll do it for you!

**Charlotte, NC - USA** — Veronica—My family and I arrived home from the Healing Rooms one night and as I pulled into my driveway I asked my son if he would take a look at the driver's arm rest and see if he could fix it. Johnny answered that he would take a look at it in the morning, knowing that he had never done anything like this before and wasn't sure he could fix it. The arm rest had not worked right since we had the car and was making it very uncomfortable. The next day when we went to use the car, to everyone's surprise, the arm rest was completely fixed and rock-solid! Praise God!

**Hagerstown, MD - USA** — Phyllis—In March 15, 2016, I was operated on for breast cancer. The picture doctors painted for me was not good. However, I came to your prayer time before surgery. The surgery went fine as I knew it would. They suggested again Chemo and radiation. This was my third surgery dealing with cancer. I always refused treatment but when it showed itself the third time the Spirit within me told me to seek more prayer partners. I read about you at that time and decided God wanted me to come to your House of Prayer. It has been seven months. Recently I had an exam and all is well. Thank you, Jesus, and Christians who believe in healing. There are days this evil one thinks he is so smart but he forgets who he is up against. Thank you so much for "Healing Rooms." Praise be to my Lord and Savior, the almighty God.

Joselin—I felt the presence of the Holy Spirit as the volunteers were praying for me. I shared with them about my reason for coming to the Healing Rooms. Two of them said they felt from the Holy Spirit that there were things in my past that were passed down from my mother's family line. As they prayed the presence of the Holy Spirit got heavier and heavier. After a while I just felt as if something was lifted up off me. Praying here was just an affirmation from the Lord that He wanted me here. I give Him Praise, Glory, and Honor for all He has done in my life, my children and my family. Thank you, Lord God, for all You have in store for me. Thank you for loving me more than I love myself.

Elden—As I was getting chairs for setting up the Healing Room across the hall, the other Healing Room team noticed I was limping. After they prayed for my ankle, which had been broken 11 years ago in a fall, I felt warmth in my ankle and was able to jump on it agreeing with their prayer for complete healing for the ankle. Even when I use it heavily.

A. J.—I came having a lot of mental clutter that was holding me down. I knew when I came that there wasn't going to be any condemnation or shame placed on me. I was taken back to a room where three prayer warriors quickly brought the issue to light. I was majorly set free and had a love encounter that I never experienced before. Thank you, Jesus, for this mighty ministry.

**Burlington, WA - USA** —Anonymous—Torn ligament in my right rotator cuff. Losing strength in right arm from pinched nerves in the 1<sup>st</sup> and 2<sup>nd</sup> vertebrae, and many issues in my entire spinal column. I have been fighting pain in my body and (mis)alignments my entire life. I was born an extreme preemie — 3 months premature, 2 lbs., 4 oz. God set me free from all pain! My entire skeletal system and entire body is set free. I am healed and will live a full life!

Wendy—My right leg was shorter by a ¼ inch. I've had much pain over the last 2 years. My L3 vertebrae was out ¼ inch. So I went in for prayer. As the team checked the length of my legs, one was shorter. We started laughing. We stopped laughing and then he looked down and the man said, "Your legs *are* even and I didn't even pray yet." We laughed again. When I saw my chiropractor, he wrote in the medical chart, "It appears that the Lord grew out Wendy's

Testimonies continued on page 7

**Testimonies** continued from page 6

leg.” He had never written that in medical notes before. He checked me on 3 different occasions, because he couldn’t believe it. Praise God! He said, "It was miraculous.”

**Cape Town, Western Cape South Africa**—Carol writes, “While cycling this morning I spotted a man struggling to walk. I turned and heard he was in pain as he had "needles" (spurs) under his feet. From my bike I glanced at his feet and commanded the needles to shrink and the pain to disappear. His face lightened as he testified.

At a traffic light I could see this lady was in great pain, walking with a crutch. I prayed for the light to turn red. It did. I reached my hand out of the window and asked her to hold my hand. She told me she was in agony from arthritis. I commanded the pain and arthritis to leave and within moments she stopped leaning on her crutch and was smiling! The Lord is set against the forces of darkness and HE will not be overcome, BUT HE NEEDS US!

A woman who had been in hospital for 5 months with a rare disease (a name not found in Heaven) arrived at a lady's meeting in Somerset West on crutches, aided by someone walking next to her. When she tried to walk alone her knees would give way, too weak to carry her. After prayer, her legs strengthened and she walked, declaring, "I will never use these crutches again!" LOVE AND FREEDOM IN HIM!

Judy, a team member, was praying for a woman who could not see properly out of her right eye and had a backache. As Judy prayed for her eye, it was healed and at the same time her back was sovereignly healed!! Judy shared that she could not read out of her one eye but as God healed her guest's eye, God healed Judy's own eye!! Wow, God is good!

God created microorganisms in the garden because they are needed to break down the waste products as well as to nourish and feed the roots of trees and other living things. Each of the Superfoods from the Garden formulas have powerful probiotics to support digestive and immune system health; which come from the soil and plants. That's a key to your health. The formula contains organic fruits, veggies, herbs and spices. The very same probiotics that are responsible for the health of plants *and* our gut are the superfoods in the Garden formulas.

# *Partners In Healing*

My name is Carol Krum and I am the Partners in Healing Coordinator at headquarters. It is my responsibility to oversee and be in contact with everyone who has caught the vision of seeing new Healing Rooms raised up in nations all around the world. This can only happen through the generosity of people who are willing to sow their financial seed into this Kingdom work, and thus, the Partners In Healing was birthed.

As we enter into a new year that is filled with all the promises of Heaven, my heart has been beating for so many of you who have gone the extra mile in support of this vision by becoming Directors of Healing Rooms in your city, state and region. As we have financial obligations that must be met to sustain this ministry on a global level, so do you on the level that you oversee. No doubt, you have felt the financial burden as well. It is my intent to offer a few suggestions that may help you generate revenue to help defray the cost of operation in your Healing Rooms. As God transforms your region and prospers your Healing Rooms, you will then be able to sow back

## *Tips on how to start a Partners in Healing Program in your Healing Rooms*

1. Create a display table in your waiting area just for Partners In Healing.
2. Make a brochure or flyer explaining the benefits of becoming a Partner. Examples:  
Sowing into a Kingdom ministry in your own city.  
Your financial support will be used to help keep our doors open to welcome others to experience the healing power and presence of God.  
As a Partner, our intercessors will pray for your needs.
3. Make cards available for sign-up to become a Partner.
4. Begin by asking your team members to make a monthly pledge of at least \$10.
5. Create a mailing list of guests who have come in for prayer and have been touched by the power of God through this ministry. Send out a newsletter with testimonies every 2-3 months. Invite them to sign up to become a Partner to support this work in your area.
6. Be sure to have a donation box available on your display table.
7. Be as creative as you desire in making your flyers, brochures, cards and letters pertinent to your area.

into the International Headquarters. This is the true concept of doing Kingdom business in a Kingdom culture. May 2017 be a year of increase for all of our Healing Rooms, spiritually, physically and financially. All to the glory of God!!

*In His Love, Carol Krum*

Our Healing Room has been a part of IAHR since April 2013. We were at a point where our financial situation was strained. So, we created a small card to hand out to our guests as they are leaving. It is a 2" x 3" card that says, "*It is our joy to minister to you and it is absolutely free. You are welcome to come back again. If you would like to sow into this ministry, you can donate at the intake table.*"

The card also includes our mailing address and "Tax credit is available upon request", as well as the IAHR logo in the upper left hand side.

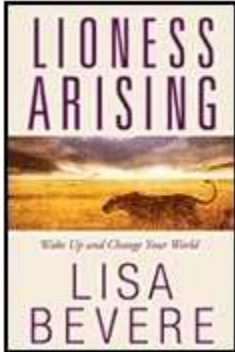

We have seen an increase in the donations to the Healing Room and we have been able to give to the Church where our Rooms is housed.

The other thing that we have done is to advertise the Healing Room through our local radio station. We have found favor there as they didn't have a spot for us, so they created one. The advertisement for the Healing Room is now broadcast on twelve stations, people from Pennsylvania and Virginia are coming to our Rooms for prayer. The last time we were open, we had 17 folks come for prayer. That is a lot of people for our Room!

## Lioness Arising - paperback

by Lisa Bevere  
B-997-796  
\$14.99

Women--- Tap into your wild side and awaken the power of God within you! Using the power of the Lioness as a metaphor,

Lisa Bevere urges you to become spiritually, mentally, physically, and emotionally strong; embrace others; use your gifts of intuition; work for your community's welfare and become a ferocious force for good in the world. Allow Lisa to take you to a place only the brave have taken until now.

For nearly as long as we have had the Spokane Healing Room, we have offered books to our clientele. Initially the titles we offered were pre-printed materials — John G. Lake's or Smith Wigglesworth's books on healing. These books were set up on a card table in an "empty spot" near the receptionist.

When we moved into our current location on First Avenue, we transformed an area into a small bookstore. While we weren't able to increase the area, the number of books and titles that we carried did; we couldn't keep them on the shelves. After the new training center was remodeled, we expanded our bookstore which more than doubled our space and allowed for a fulltime bookstore operator.

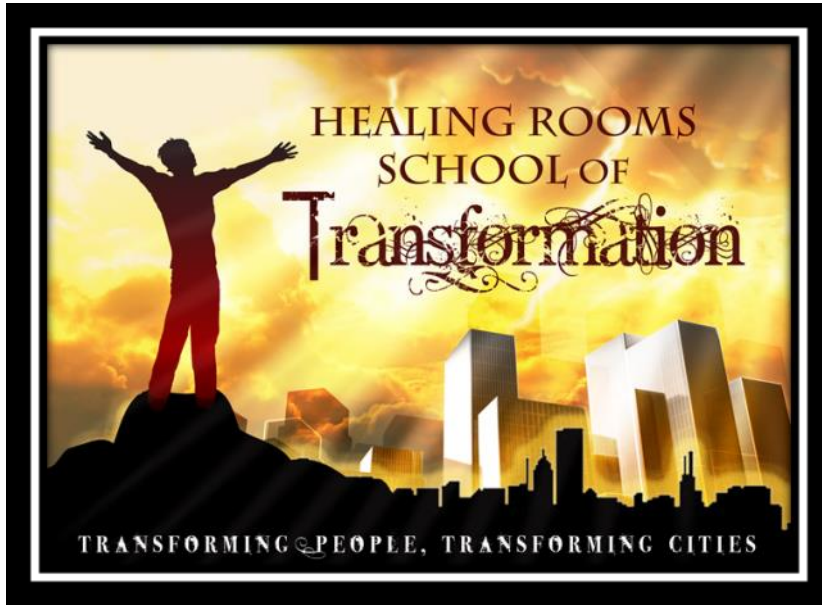

The vision, with a small beginning, had been realized. Not only could we carry the most current titles, but we began to receive 100s of used books. This has allowed us to sell so many wonderful books for a fraction of the new price. This has become a wonderful addition to the Liberty Bookstore.

While there are many Healing Rooms that have been able to open a bookstore with a dedicated space, there are many Rooms that are waiting until they have "their new building and dedicated space." But, why wait? As you see from our journey, we started small with just a couple of titles. You can do this, too. Use a card table, a carousel or a "wall-hugging" bookshelf to display your product.

With your Director discount, you are able to purchase from our online bookstore for 40% off the retail price of all product we produce. Consider our best sellers for your bookstore.

If you are interested in starting a bookstore in your Healing Room or if you have questions, we would be happy to talk with you. Please contact us at [bookstore@healingrooms.com](mailto:bookstore@healingrooms.com)
