In my last article I wrote about our need to prepare for the coming season. The world, with man's government, is in failure. The need for Healing Rooms is greater than ever. Healing Rooms will become houses of refuge all over the world. We are Kingdom minded people who are called to establish and extend the Kingdom, on earth, as it is in heaven. (Matt. 6:10) When the Kingdom of God is released out of us, all that is available in the Kingdom, will be available to those to whom we minister.

In some cities, a Healing Room will be the only place people can receive from God's Kingdom provision. This ministry is unique in that we equip God's people to do the work of the ministry. We establish unity, in that all denominations and people, who are believers, are welcome to be trained and become part of a Kingdom family called a Healing Room. We bring healing to God's people. I know of no other ministry or

releases the power of God to heal the sick and brokenhearted through Healing Rooms everywhere.

Cal Pierce, Director

Healing Rooms
Ministries

The need for all of us in Healing Rooms to pull together and cast the vision into cities everywhere is greater than ever. As a matter of fact, this need will be ever present as darkness continues to cover the earth. Our Healing Rooms will be a light in the darkness, a refuge where people can come. Continue to share the testimonies from your Healing Rooms and encourage your team that the city needs them. Stay focused on why we are there; to heal God's people and restore them back into their destiny. Know that the enemy doesn't like this and will try to bring discouragement. Stay focused on Jesus and He will bring you encouragement. Our Healing Rooms are Kingdom works, led by the Holy Spirit to transform people and cities to the Glory of God.

Know that Michelle and I love you. You are our family and we are praying for you that you will prosper in all things in the coming season.

Prayer Directives

Twelve O'Clock

Thomas Benson

Spokane Healing Rooms

Head Intercessor

On the back wall of our conference center there is a large wall clock. For a long time I thought that it was just a decoration since it never told the correct time. Several weeks ago as I walked by it, I stopped and turn both the minute and the hour hand to 12:00 for no reason. A few days later I walked by the clock again and turned the time to 12:00, I don't know why it just seemed like the thing to do. This went on for several weeks, I would walk by, turn the clock to 12:00 and continue on with my day, not processing why it never seemed to stay at 12:00.

Then one morning during our live worship time I was walking to the back of the room praying and found myself at that clock, so I reached up and turned it to 12:00. All of a sudden I thought to myself, "Why am I always turning this clock to 12:00?" The Lord began to speak to me and said, "When you change the time to 12:00 it is either 12:00 noon, the brightest time of the day, or else it is 12:00 midnight, the darkest part of the night. Both are a reality and you get to choose which reality you are going to walk in. You can see and focus on all the darkness that is coming and struggle with that reality and the fear that it brings, or you can focus your eyes on the reality of what I am doing and will do in the earth, and be filled with peace. The choice is yours."

It is wise to be able to discern the times and the seasons, especially now. I want to encourage you to use caution in what you allow your eyes to see and what you allow your ears to hear. We have the ability to determine our own future and our own reality but it will take diligence and being persistent to find that place of intimacy where no matter how the storm may rage, we are in perfect peace.

So choose wisely, beloved, there are many that will be looking to you for answers. This is your 'Time' for you to rise up!

Thomas

P.S. About a week ago one of our department heads wondered why I was always changing the time to 12:00 since he had just repaired the clock and was always having to reset it! I guess it was also time for a good laugh.

New Regional Directors for Region 10

We are excited to announce that **Rush and Barbie Hunt**, Madisonville, Kentucky, are the new Region 10 Directors in the USA. Their states of jurisdiction include Tennessee, North Carolina, and Kentucky. Barbie has been stewarding the work of Healing Rooms Kids for several years and we have her to thank for the excellent resources of the Healing Rooms Kids Training Manual and DVD. If you are ever invited down their way, be sure to contact them to coordinate training efforts. Remember that only IAHR authorized people such as Regional or State Directors can train new directors for their regions.

There have been other changes in our region configurations and leadership in the USA, so please re-visit the map from the fall IAHR Newsletter for these updates. (*You may access the Newsletters on our [website](#).*) You can find both USA and International leadership by clicking on the “*Locating other Healing Rooms*” section on our website. Just look up your Healing Room and see who your state, regional, national or divisional leaders are. You may be surprised to find some changes. Remember when God was telling us a year ago that shift was happening? So if your area has experienced a change and you have not yet heard from your new leadership team, shoot them an e-mail or give them a call to let them know what’s going on with you and your city. I know they’d love to pray with you over any challenges you are facing and rejoice with you over the victories!

How to View the IAHR Newsletters Online

To view an issue of the IAHR Newsletter, past or present online, the Healing Rooms Director would need to log into their administrative menu. If you haven’t created an administrative account, you will find the directions in your Healing Rooms Manual under the tab, “Tech Set-up and Support.” If your manual doesn’t have this tab, let us know and we will send you the directions.

Healing Rooms and First Nations People

There has been an increase in opportunities for Healing Room teams to minister to our brothers and sisters from some of the First Nations tribes in the USA and Canada. We have seen both physical healing and healing between the cultures, as teams have come to bring the love and testimony of Jesus. People have been touched through this ministry throughout the USA and Canada.

Healing Rooms Website (Spokane)

Our Website is taking on a new look, especially in the “Find a Healing Room” or “Location” section. Many say it’s more condensed and easier to follow. Check it out and tell us what you think.

Meet our New National Director for South Africa and Africa's National Advisor

Carol Campbell
South Africa

Our previous African Directors, Graham and Claudia Purser, opened their Healing Rooms in South Africa in 2005 and over the years eventually served their nation as South African Directors and as Divisional Directors over Africa. A big thank you for years of dedicated service to train people and release the vision of Healing Rooms in every city and nation in this vast continent. We bless you now in the new endeavours before you.

Please take a moment to read this brief and informative introduction from the new leadership that we have seen God raise up for this nation. We had the honor of her visit at the IAHR office here in Spokane this fall and know she brings a heart for healing and the grace of God that is needed for such a position.

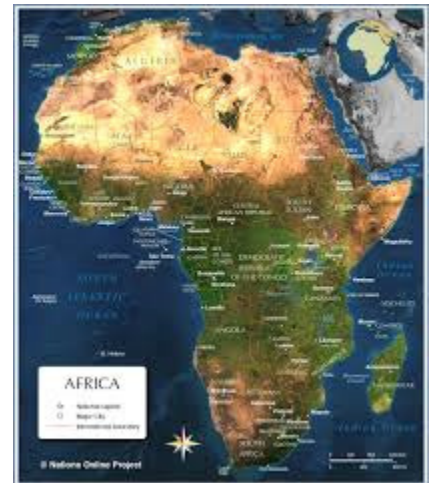

My vision is to impart the atmosphere of heaven to the Healing Rooms wherever I go, where love, fun and God's Presence are the keys to healing.

My heart is for all to internalise the simplicity of the Gospel and to know who they are and Whose they are and that they have a loving Father who wants the best for His children.

I have travelled extensively to receive impartation from today's Generals and to learn about "Healing," including 2 Healing Crusades in the North East of India, 4 of Randy Clarke's Schools of Healing and Impartation and to the bush in Mozambique with Heidi Baker and I have seen many physical and emotional miracles including blind eyes and deaf ears opening, the lame walk and the mute speak, HIV Aids and cancer healed. I have also seen the hand of God heal emotional bondages with a touch.

I have done training and opened HR in 5 nations, namely France, Turkey, Gabon, Uganda and a few in South Africa. I love Africa and have seen witchdoctors bend their knee to the power and authority in the name of Jesus.

Carol Campbell

Remember, that as a courtesy and to maintain good communication with the leadership in each country you are invited to cast vision for Healing Rooms, that you contact that country's Divisional or National Person. Work with those who have jurisdiction over the particular area you are visiting. Carol's contact information can be found on our web page www.healingrooms.com.

“The greatest days of your ministry are upon you!”

**Jim White, IAHR
International
Ambassador**

I hope everyone has a very merry Christmas! Over the holiday season may you find the greatest gift living inside your heart. It's especially hard at Christmas to believe He's not a baby anymore. This bundle of joy that Mary wrapped long ago in swaddling clothes and then laid Him in a manger is now sitting at the right hand of God and interceding for you and me. He's the King of all other kings and the Lord of all other lords. His name is Jesus, Emmanuel, God with us!

Another year has passed and we are embarking on another one. Time is zooming right past our faces it seems. This is the time of year where prophets are stepping forward and sharing what God is showing them in this new year. I would simply encourage you to weigh carefully every prophetic word, dream, and vision and align it with God's Word. If it doesn't fit, then discard it. Don't misunderstand me, I strongly believe in the prophetic but we all get it wrong sometimes. I know I do. Be encouraged as you enter this new year because it's part of a new era in the Spirit where things are going to happen swiftly.

Not long ago I posted on my Facebook page a dream that I strongly felt God gave me. In my dream I saw a gigantic cobra standing in the front doorway of our nation's White House. This cobra had the words, "anti-Christ" tattooed on its underbelly. This snake stood there and I could tell that it had already infected at least two-thirds of all Americans with fear and terror. I did not get the sense that this snake represented a particular person or that our President was or is the Antichrist. Rather, I sensed the spirit of anti-Christ had taken over our government. Immediately in my dream I saw the largest Lion that I have ever seen in my life. This Lion was walking up toward the front door of the White House rather confidently and calmly. I remember its mane was made of gold and fire.

Upon its head sat a crown and around its neck this ring with three keys. The cobra sensed someone was at the front door and opened it. I will never forget that moment when the cobra and the Lion came face to face. The cobra never opened its mouth. It never even hissed at the Lion. It just stood there. The Lion raised its head and released a roar so powerful that it caused an earthquake. The Lion then crossed the threshold of the White House and looked the snake in the face and said, "This is not your house. This White House has always been Mine and I'm taking it back!" The Lion went on to say, "I am re-establishing a government with leaders who are called by Me. They are the Elijahs of today!"

Then the Lion looked at me and said, "The days of revival are coming to an end and America is about to have its second revolutionary war. This war will not be fought with weaponry nor will those who fight in it be lukewarm. These revolutionists will be armed with such unconditional love and unbridled passion for Me. They will effortlessly demonstrate My power. These are those who will release My glory and anointing at the same time. These are the Elijahs of today. I charge you to raise Me up an army of these who will no longer love their lives even unto death. Because these are the days of martyrdom and miracles, signs and wonders that no one has ever seen."

(cont. on page 6)

(cont. from page 5)

I then woke up and wrote down my dream. I want to encourage all of you in the Healing Rooms to stay at your posts. The greatest days of your ministry are upon you. I know many of you get discouraged and feel like quitting from time to time. I know how you feel. Listen, I really am praying for all of you. I do every day. I didn't use to but God put His love in my heart and I really do want to see you succeed. So many of you have hidden talents and gifts that God is readying Himself to uncover you to do exploits. You have to see this, however, with the eyes of your spirit.

Precious Jesus, touch everyone who picks up this newsletter and reads it. I ask You to release Your glory and anointing on them in such a way that their physical body will feel Your powerful presence. I speak to discouragement and heaviness and command in the mighty name of Jesus Christ to lift off my friends and go back to the pit from where you came. Father, send legions of angels to everyone who reads this newsletter and release a fresh flame of Holy Fire on each reader's head. Let the fire of God Almighty work its way all the way down to their feet and then get on the inside and work its way up internally until they become consumed with fire from Heaven.

Great things are happening all over the world in the Healing Rooms. Many miracles are taking place. I'm so proud of Cal and Michelle and the wonderful work they're doing here at the headquarters. I wish you all could see the new bookstore, you would be proud of the changes that are taking place. Spokane as a city is about to realize it has a world changing ministry within its own borders and I say it's about time!

I love you guys. I really do. Hug yourself and say to yourself, "This is from Jim White!"
Happy New Year!

The Story of Yunnan Healing Room, China

We are Jacob and Faith Xu, current directors of the Healing Room Yunnan. As early as in 2011, Jacob, a church leader, started praying for people for healing. He was responding to God's call, which was to save Samaritans.

However, even then both of us did not fully understand what God wanted us to do with Samaritans until we went to Nanjing. There, God made a way for us to meet Marilyn and John Edward from Brisbane, Australia, who have been involved in Healing Rooms Australia for more than ten years. Immediately, we understood that God was releasing the message of Healing Rooms to us. Since then, to open a Healing Room became a burden in our hearts, and our church began to pray.

At the beginning of 2014, we were introduced to Greg Bachnik, who had been coordinating the Healing Room in Orlando, Florida USA for many years before he came to China with a dream to see that every city in China would have a Healing Room. In the past five years, Greg and his team consistently and constantly prayed for establishing Healing Rooms in China. God answered their desperate prayer when they met us in 2014.

Then in April 2014, Greg started training us. During our training, we went to visit the historic site of Ling Kuang Bible Institute, which was founded by Harold Armstrong Baker. He also began Adullam Rescue Mission, both of which were in Kunming, Yunnan Province.

In July of 1992, on the site of the Bible Institute, a powerful revival happened. Many students, teachers and pastors were filled by Holy Spirit and many different types of sicknesses were healed. But the institute was closed by the government two months later.

(cont. on page 7)

(cont. from page 6)

The site has been totally changed since then. There is no clue that it used to be an institute. It is now a street full of people and cars. Buses are running one after another on the street. However, when we got there, all of our 30 team members were touched by God's love. At the site of the institute, there was a huge angel waiting. It was a healing angel, and it came along with us and stays in our Healing Room now.

In July 2014, 22 years after the July revival in Ling Kuang Bible Institute, God opened a way for us to operate our Healing Room according to the International Association of Healing Rooms guidelines.

Now we have regular four shifts of ministry every week and about 11 members come to minister on each shift. There are about 29 team members with different backgrounds such as high school teacher, government employee, college student, house wife, medical doctor, church staff, and retired staff, etc.

So far we have finished three rounds of training and the fourth training is undergoing.

From July through November 2014, we have received nearly 500 people, and have seen numerous miracles. An eight-year-old boy who was born with a mental disability was restored and is able to go to school to study with normal kids. A young lady who had been barren for many years was prayed for and when she walked out of the Healing Room, she told Jacob that she was pregnant. She shocked herself by what she said but several days later she was told by the doctor that she had conceived.

The deaf people can hear, legs grow in length, the demon oppressed or possessed are delivered, the sleepless people are able to sleep well, and the protrusion of an intervertebral disc was cured!

Now, we have patients and trainees from three-self churches. The wechat has active users about 438 million in China. We have opened a wechat account in October and now we have fans from 16 provinces all around China.

We are going to open another Healing Room in west part of Kunming and, in the next year, we will go and train in other places out of town.

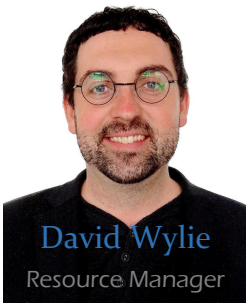

Attention All Healing Rooms Directors: Are You Published?

We are aware that many of you Healing Rooms Directors have written and/or published a book that is beneficial to the Body of Christ. We would like to start a "Director's Corner" in our online bookstore and include the information about your book to make it available for purchase. We would like to see a copy of the book for review and we would need the wholesale cost you would charge us and your suggested retail. Bottom line, we will need to know what you want to make on each copy of your book sold.

Please send a copy of your book to the Healing Rooms in Spokane. Just one copy is all that is necessary for now, with the above requested cost/retail information. Send it Attention: David Wylie, for review and consideration for listing. Upon approval for listing on the web we will send you the wholesale cost you have submitted. When the book sells we will place a re-order for another book. We have limited space for storing product, so we will place re-orders as they sell. We know it's tempting to send us more than one book at a time but, please only one book. We look forward to reading your work!

Hello, everyone! I have included some great items for you in this issue. There is an amazing book by Robert J. Clinton called *The Making of a Leader*, but don't let the title trick you. This is not a typical leadership book. This is a very important work on finishing well. With so many leaders giving up we really need to press in to the Lord and get the skills to finish well. Also, Cal Pierce gave an amazing teaching at this year's Leadership Summit about our calling to receive the mind of Christ. Don't miss this one! It is available both on DVD and CD if you want to listen to in the car.

I also recommend Dr. C. Peter Wagner's book on intercession for pastors and leaders. This is a re-release and update of this great book that came out in the 1990's. I personally think we should all press in to our victory through intercession. If you are a leader you might want to get this one as a gift for those who are interceding for you.

Our featured worship album the month is the new one from Julie True, which I find exceptionally wonderful. This is the best Julie True I have ever heard. It is a live album and it has been helping me to rest in the Presence lately. Enjoy! Love you all! **You can find all these books and more in our bookstore. Website: {[Click Here](#)}**

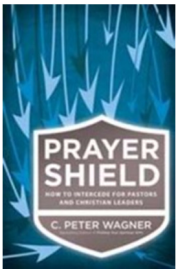

The Making of a Leader, by L Robert Clinton, B-950-750, ~~\$16.99~~, **\$12.74 Directors's cost**

The Making of a Leader shows how God works in the lives of individuals to help them become more deliberate leaders. By studying 3,500 historical, biblical, and contemporary leaders, author J. Robert Clinton presents six stages of leadership development to help one determine where they are in the process and what steps to take next. It includes integrity and obedience checks and is an ideal resource for those in authority positions. This book equips readers to discover what type of leader they can become in order to better serve God, the church, and their community.

Receiving the Mind of Christ (DVD), by Cal Pierce, DVDT-050, ~~\$14.00~~, **Director's cost: \$7.00**

This is an exclusive teaching from the 2014 Leadership Summit by Rev. Cal Pierce, Director of the International Association of Healing Rooms. Pierce speaks on Receiving the Mind of Christ. This impartation is based on a word that Pierce received when he asked the Holy Spirit why we only use 10% percent of our brain capacity. He goes on to explain the critical need for us to have the mind of Christ in this season, as well as well as steps we take in receiving it. This comes with a 50% discount for Healing Rooms Directors as well as a 25% discount for staff and Partners. This teaching also comes as part of the entire 2014 Leadership Summit conference DVD set.

Prayer Shield (Repack), by C. Peter Wagner, B-110-88X, ~~\$14.99~~, **Directors cost: \$11.24**

Right now, pastors, teachers and all types of Christian leaders are on the frontlines of spiritual battle, desperate for prayer support. They are in need of intercessors, whose prayer can shield against the strongest attacks and make the difference in spiritual warfare. C. Peter Wagner not only teaches the biblical basis for intercessory prayer but shares who is and who isn't an intercessor, why leaders themselves often don't pray enough, how to recruit prayer partners and the three types of personal intercessors.

I Belong to You, Julie True's Newest Release!!! ~~\$15.99~~, **Director's cost: \$11.99**

Julie has painted with a quieter, more intimate palette on her newest release, *I Belong to You*. Much like her best-selling 2012 release, *Find Rest*, *I Belong to You* surrounds peacefully delivered worship songs with inspired moments of spontaneous songs and instrumental music. This soft-spoken and reflective album revolves around the themes of belonging to and trusting in Father God, worshipping Him, beholding His beauty, and experiencing His love.

Testimonies...If God's done it for one, He'll do it for you!

Just want to say thank you to all of you at the Healing Rooms for all you have done. Last week we received prayer for myself and my wife and daughter. I was suffering from extreme pain and infection in the urinary system including prostate and kidneys. It was a serious enough problem that I had to quit my job in the oilfields in North Dakota and return home. Two weeks ago it was so bad I was in continual pain and was very depressed. We finally went to the Healing Rooms and asked for prayer.

About an hour later, as we were driving home, I noticed the pain was going away and I began to feel healing in my body. PTL for the Healing Rooms and a special blessing on the elderly couple who prayed for us. The presence and love of God could be felt in the room.

Even as we left and were driving home the Lord began speaking to me about 2 areas in my life that needed to change. Not things I needed to stop doing, but things of omission that I needed to start doing. Since that time I have done my best to make those changes and every day I have been feeling better and better. Someone might say why couldn't all this have happened without losing my job and having to make the trip to Spokane. I don't know, all I can say is I'm feeling a lot better and we are very thankful for the Healing Rooms. May God bless each of you and keep up the good work.

Ben Schertel, Libby, Mt

David Hauser from Healing Rooms of Pasadena, CA reported that Maria came in from Mexico City with her husband. She was in immense pain and hobbling on a cane. She shared that she had "Metallic" poisoning and the doctors were hopeful that the poison would eventually leave her system. After healing prayer she was still hobbling on a cane but, as she made her way to the car, she was completely healed. She came back into our Rooms walking without a cane and, crying tears of joy, proclaimed that the pain was gone and she could walk again!

A request came in to the Healing Rooms in Spokane for prayer clothes. They were mailed out in October 2014. Here's the response: I just had to let you know that since getting the prayer cloths my step father, Ken, says that he hasn't felt this good in years! Mom placed the prayer cloth in his pillow case. He now has so much energy and he is even eating better. Mom said the doctor was shocked when he saw the difference in Ken's cancer. He told Mom that the cancer is shrinking! Ken is back to smiling and enjoying life once again. My mother also placed a prayer cloth inside her pillow case and she says she feels great and is pain free. Her legs and feet aren't bothering her at all. She could hardly walk because of her feet for a long time. They both wanted me to thank you for the prayer cloths. God is so good!
