With Cal and Michelle out of the country at a conference in Brazil, we have taken the liberty to give you an overview of his message from the Leadership Summit that was held in Spokane, Washington last month. Cal was the keynote speaker for the Thursday morning meeting on September 22nd. He delivered an amazing and powerful message ‘Calling to Arms’ every Healing Room in this End Time move of Holy Spirit.

Each Healing Room is a House of Refuge. The enemy wants to divide and conquer but through Healing Rooms we stand in unity as the Body of Christ. Healing Rooms are needed more now than ever before.

Cal shared that when he watched Azusa Now in April, he knew something had shifted in the church. The Bride of Christ, who is pregnant with the Kingdom, moved from the waiting room to the delivery room where the Great Physician is so we can birth the Kingdom of Heaven on the earth.

This calls for new wineskins so the outpouring of the new wine can be held and used to change the world. As the body of Christ we are to awaken from sleep, the sleep of an inferior position, and put on the Armor of Light to shine in the darkness. We are the **Isaiah 60** generation.

God created the world and man for one reason – Relationship! Jesus redeemed us and wants us to walk in the fullness of our redemption in relationship with Him. The Truth is that the enemy has been destroyed and Jesus reversed the curse. He has raised us up to proclaim His name. Once saved we are drafted into the Army of God

which is under His government.

We are bred to fight.

We are given His Armor - weapons which are mighty in God.

We are to receive Holy Spirit’s empowerment and move in the supernatural Truth that makes us free.

We must walk in Agreement with Truth, not doubt and unbelief which gives the enemy authority.

We have the Power ~ What is the Plan?

Thy Kingdom come Thy will be done on earth as it is in Heaven. (Matt 6:10) The Greatest Glory to the Father is to walk in the Fullness of His Redemption and destroy the work of the enemy. The Kingdom of God in us gives us the power to establish the Kingdom of Heaven on the earth. We have the Keys **OF** the Kingdom not the Keys **TO** the Kingdom. We are already in the Kingdom.

The Full measure of Truth in us is necessary to walk out His Plan. The Church will move in power when it stops fighting the devil. Why fight a defeated enemy? **BE WHO WE ARE!**

Healing in His Wings

Hesed - Loyal Love

David and Glendae Hauser
Region 7 /8 Directors

Hesed is a Hebrew word commonly translated as "loving-kindness, kindness, or love" but it means so much more.

Various Bible translations often define *hesed* to mean faithfulness, mercy, goodness, steadfast love, and loyalty.

Normally this word describes something that happens within an existing relationship, either between man and God or two people.

Some scholars also translate it to mean 'covenant love.'

Hesed is a quality of life that should characterize those who know God. We see it in Abraham, Moses, Ruth, David, and many other Christians throughout the ages expressing *hesed* (loyalty love.)

The purpose of 'Loyal Love' is to describe the 'dependability or loyalty' that we as Christians should have towards one another.

Without a doubt it is one of the richest, most powerful words in the Old Testament. We, who are committed to God and to each other, should reflect this Christ-centered love for each other. One scholar has said, "It (*hesed*) is not a mood or feeling but an 'action attribute.'"

Loyal love is often scarce in Christendom today.

Three times we see Covenant Love in *Exodus*, and in each case we find the tribes of Israel not holding up 'their end of the bargain.' They make idols and fall short in both Exodus 32 and 33.

But what is amazing is God saying, "I will still go with them." This to me is a mystery in Scripture. God says, "I will destroy them," but Moses reminds Yahweh of His Covenant. God then says, "You're right, even though they have not held up 'their end of the bargain,' I will still go with them."

A Covenant broken by Israel is not so easily dismissed by Yahweh.

Hesed truly means 'great loyalty; over the top.' It is beyond fairness, to keep covenant with people who keep pushing God away. To show *hesed* is above and beyond what most people do. It is extremely rare.

The proper response to *hesed* is to show it to others. Acts 2 is a 'living example,' a picture of those who shared meals together. **It is staying true when we have differences of opinions. It says I need you and you need me. It says I am with you, and you are with me. It is 'over the top' even in contrary situations. It is loyalty love!**

There is a song whose lyrics say: "Your love never fails, it never gives up on me, this one thing remains, it never runs out on me, on and on it goes, covered by the power of Your great love."

May God grant us all *hesed* (the love of loyalty) towards each other. May we guard what we say about each other. May we support each other, and be loyal to His Coming. May we be a faithful community of *hesed*.

SUMMIT—What Happened Around the World

Alfred and Laura Friend, Latin America Divisional Directors and Mexico National Advisors

Fred and Laura moved Healing Rooms into Latin America where they knew no one, and did not know how to reach into these countries; “But as Cal has said, ‘we build through relationships and God opens doors.’”

They received a Word from the Lord in a meeting years ago in Tijuana and then watched Holy Spirit, through divine appointments, make a way.

Fred stressed how important it is when going into new countries to ‘Respect their Culture’ and allow Holy Spirit to move through the culture of each country and region. As Jesus said, “Have faith in God.” Healing Rooms are the vehicle to unite the Body of Christ. Everyone needs healing no matter their denomination.

There are now 26 Healing Rooms in 3 nations—Brazil, Mexico and Peru. And now Ecuador and Guatemala want Healing Rooms! Many more to come!

Brazil is opening up mightily, there are already six Healing Rooms in Brazil and with Cal and Michelle and the National Contacts, Albertina and Arne Kramer, joining us for the *many* scheduled meetings and trainings, we shall see Healing Rooms increase.

Ingrid Fiehn Servin, Mexico Region 3 Director (Northeast Mexico)

We must have Passion in our Purpose! Be in the right place and He will do the rest!

Ingrid had a vision years ago of being in tents praying for people. When she asked the Lord, “How?” He said, “Don’t worry, I will do it.” December 2015 this vision strengthened on the inside of her. At the Latin America Healing Rooms Conference in January 2016 she pulled together the Healing Rooms Directors in her region and shared her vision. One of them said, “God told me you would do this in my city!” Reynosa is the most dangerous city in Mexico. It is controlled by the drug cartels. Yet this summer a Crusade in Reynosa took place.

The Reynosa Healing Rooms were born through the healing of a Methodist Pastor who came to the Healing Rooms of Ingrid and her husband, Carlos. The pastor was healed from severe diabetes and other illnesses, she then invited Ingrid and Carlos to Reynosa to do training.

Ingrid and Carlos knew that even though Reynosa was a very dangerous city, they had to follow instructions and God told Ingrid He would do the rest. They believed. They contacted their leadership, the Friends and Marisa Garcia, who supported, instructed, prayed with and for them. “Our leadership is very important for support and to stand alongside us,” Ingrid stated passionately as she publicly gave her heartfelt appreciation to the Friends.

They prayed first for the land to use for the crusade. A man came to them and said, “Use mine.” Then through Marisa’s instructions, they sowed the Word of God over the land and walked, prayed and anointed it the whole month of February. Ingrid called all five Healing Rooms to join in unity to fast and pray. They shared what the Lord showed them regarding the land and emancipated the land for the

Continued on page 4

Continued from page 3

Lord's use. Then they specified to the Lord the needs for the crusade: two tents, restrooms, money for sound equipment, electricity, and chairs: \$10,000 worth of equipment for the weekend crusade.

Ingrid remembered she had a bank in Heaven and trusted the provision would come. God used many, including the city itself, and provided all the needs! They paid NOTHING for the weekend.

Many miracles occurred. "We carry the Kingdom," Ingrid stated, "and we imparted the Kingdom."

People were restored, lives were changed, including the atmosphere of the city. Ingrid was led to declare Radical Change over the city. The elections two months later brought party change and the first woman mayor! "We have aborted the devil's plan!" Ingrid declared.

Safety comes in the midst of His provision as well. A tornado was forecasted the day before the crusade, they prayed, declared, and watched the tornado go back up into the clouds! Also they found out after the fact that there had been three major shootings in the city during the crusade, and the Mexican Navy captured the second largest cartel drug dealer. The Lord kept them all SAFE!

Be in the right place as HE has instructed, and HE will do the rest!

Xu Tao (James) & Xu Zhou Fan (Faith), National Directors for China

Faith shared on Healing Rooms in China. She started by telling us how in worship that morning the Lord revealed His love for China to her. "He loves all peoples of China, not just believers but all peoples, the government, the officers, all peoples. Yes, the Christians are persecuted but pray also for all peoples as God loves them all very much."

Faith gave some of the Christian history of China and clearly showed how God takes the bad and always turns it around to good.

Because God is Good!

James and Faith started with IAHR in 2014. There are now eight Healing Rooms in China. They have trained in 15 locations throughout China, as well as one training in Taiwan. They have a classroom for training which holds 40 people, but most of the time they are cramming 60 into the room, because people are so hungry.

They have seen so many conversions to Christ through healing prayer as God reveals himself to the people He loves. They have God encounters with visions and are experiencing the amazing love of God.

They have even developed technology for prayer over the cell phones to be in constant contact with other Directors and people in need.

God always turns what is bad into good. God is Good!

Faith shared a time not long ago when James was taken right from the classroom during a training by the government. She immediately told the class, "Now we will forgive and watch God turn it around." They did exactly that and James was back two hours later! So many amazing testimonies.

God is Good and working mightily in China!

Cal shared how the Angel of Opportunity has been presenting himself and that he and Michelle have simply opened the doors shown to them.

As the Director of Healing Rooms Ministries for 17 years Cal noticed something, we have been trying to get healing into sickly bodies and it isn't working well. God's ultimate goal isn't healing, it is what healing produces, a body with no sickness. The purpose of healing is to establish a body of health so Cal began talking to God about how to combine spiritual immunity with natural immunity so we could create a strong immune defense against sickness.

This led to an amazing venture into healing foods and revelation about another level of walking in divine health. **To learn more about Garden's Best and how God called it into being, click here**

Cal Pierce

Cal received a revelation from God in July that it was time to fast and pray for our nation and the world. As Cal was praying about this, the Lord took him to Joel to show us what to do. In Joel 1:2 the prophet called together the people, who were facing devastation, and told them the solution to what they were seeing.

This is what we are facing today. The enemy is trying to cut off our spiritual provision in every nation. Our governments are mandating moral failure on the people and the locusts are coming to consume the harvest and cut off the provision for God's people.

In **verse 14**, Joel tells the people of God what to do:

***“Consecrate a fast
Call a sacred assembly;
Gather the elders and all
the inhabitants of the land into the house of the Lord your God,
and cry out to the Lord.”***

Why is the fast important? It denies the flesh and positions us to hear and connect to God. Joel knew how desperate things were; only God could intervene and save His people. So Joel sounds the alarm all across the land. **Joel 2:1—**

***“Blow the trumpet (shofar) in Zion,
and sound the alarm on My holy mountain!
Let all the inhabitants of the land tremble;
For the day of the Lord is coming,
For it is at hand...”***

Joel prophesied what God would do if they obeyed Him; there would be abundance in the land. The former rain and the latter rain would be poured out. God would pour out His Spirit on all flesh. This is where we are today. We need to consecrate a fast and sound the alarm into every nation and humble ourselves before our God.

Continued on page 6

Continued from page 5

So at Healing Rooms Headquarters on New Year's Eve (at midnight), will blow the shofar to sound the alarm and begin to fast and cry out to the Lord, that He would hear from Heaven and heal our land. Will you join us? Churches and ministries around the globe, in one accord, fasting and praying for their nations. What a might move of God we will see!

Cherie Calbom, “The Juice Lady”

Cherie is known around the world as “The Juice Lady” and God has brought her to work beside Healing Rooms Ministries for “such a time as this!”

Cherie’s life has been a combination of walking in His Healing Miracles by way of prayer and by way of His Healing Foods. She has walked out prophetically what she sees the Lord doing in the Body of Christ. Her own physical body has been the marrying of the two, healing miracles and healing foods.

When Cherie became very ill with several chronic diseases in her 20’s , God sent her to a health food store where she learned about healing foods. And 3 months later she was totally healed. A year later Cherie was brutally attacked and actually died from her injuries, two crushed discs, bone fractures in her face and her hand nearly destroyed. But she knows Jesus Himself breathed His breath of life into her and saved her. When the doctors said she would be disabled the rest of her life and her hand would be unusable, she said NO! And by the laying on of hands, healing prayer and eating healthy foods, Cherie was again totally healed. She stated, “I know miracles of healing and I know how forgiveness brings healing.”

Later, Cherie received a vision from the Lord. She saw God’s soldiers laying on the battlefield with labels of different diseases upon them. She heard the voice of the Father speak to her and tell her ‘My people are there with degenerative diseases because of a lifestyle of eating foods that destroy them.’ She could see evil spirits punching and kicking those who were already down, the most vulnerable. The Lord told her to go back to school and learn and teach His Body how to take care of their bodies. So she went back to school and received her Masters degree in nutrition.

While sharing her own miraculous healing testimony, Cherie spoke of why she believes Garden’s Best Genesis Super Foods really are the best, what is in the product and how they saw God’s hand upon it all. To learn more details go to gardensbest.online

Maggie Baratto, National Director for Canada

Maggie delivered a Word she received through a vision the Lord imparted to her during worship Friday evening of the conference. She saw the hand of the Lord come upon certain women, a mantle of nations coming upon women. Women were being positioned over nations and morphed into lionesses. There was a film of resistance over these nations and she saw a breaker anointing come upon the women as they broke through. These women carry the mothering aspect of the Father’s heart. Women becoming lionesses to roar over nations and see the tearing down of what the enemy has done.

What an anointed time as she decreed and declared this powerful Word from Holy Spirit in our midst.

**Paul and Eve Clift, Southeast Europe and UK Divisional Directors
and England and Wales National Directors**

Paul Clift declared a prophetic Word over America received in 2004 at a meeting he and Eve were attending. He hunted and hunted to find this Word, and then found it in his things after they arrived here in Spokane. Truly God wanted it shared this day. Stand up America, God is not done yet!

To the United States — *To the one that I kept for myself. The one that I hid for a time appointed. I created you out of My chosen around the world and I raised you up to be My sword against the unrighteousness of man. For this cause I have strengthened you to bring war and peace. To stop the sins of man against man. Your time has not yet come to an end, for the atrocities of man are not yet over. Therefore, do not back up or stop wielding the sword of righteousness and war. But prepare yourself to war and pray yet many times more.*

To give you strength, I will again cause My waves of renewal and refreshing to come to you. I say therefore to My Holy Angels take the golden bucket and dip in the waters of life and pour out upon My Righteous Republic. Dip the 2nd time and pour out. Then dip the 3rd time and pour out. So shall My chosen be covered from shore to shore, from north to south with My glory. For many nations will align themselves against you but the strength of My glory shall strengthen you and keep you until the time of the end is finished. And then I will give you a position with the sheep nations at My right hand and reward you for your great labor for Me.

Rush and Barbie Hunt, Region 10 Directors

Barbie shared many wonderful stories and testimonies from the Kids' Ministry in their Healing Rooms. What power-filled children as they simply KNOW they can and hear the voice of Holy Spirit and are allowed to walk it out. You won't want to miss hearing these.

Rush shared regarding LIVING ON THE OTHER SIDE OF THE CROSS -

Be who you **IS** not who you **WAS**

Ephesians 1:4 - Before creation He chose us- in love- for adoption as Holy and Blameless sons and daughters in relationship with Him through Jesus.

1 John 4:17 - As He is so shall we also be in this world

So How **IS** Jesus? ***Revelation 5 states: Worthy is the Lamb to receive Power, Riches, Wisdom, Strength, Honor and Glory and Blessing.***

We must live in the Truth of who we are in Christ on this side of the Cross. As He is, so are we in this world. It's not about us, it is about HIM.

The Lord told them (pre Healing Rooms) I can use you if 'you know you have NO rights and you cannot be offended.' What is important: ***Faith expressing itself in Love. (Galatians 5:6)***

In this place we can truly do anything through Holy Spirit within us to His glory!

Continued on page 8

Continued from page 7

Rush called out many different diseases/infirmities and asked for testimonies from people who had seen these healed in their Healing Rooms and then had each one to release that anointing to all present and those who will watch later. Amazing! The testimony of Jesus is the Spirit of Prophecy. When we testify, we are saying, “Do it again, Lord, do it again.” Watch and Receive!

Carol Campbell, Divisional Director for Africa and National Director for South Africa

Carol Campbell travels all over Africa at God’s direction. She stated, “Do I want to go? NO! But I have to go. I *will* walk out my destiny. I will go wherever God sends me!” She ministers without fear.

Carol has been a part of Healing Rooms for eight years. She has opened Healing Rooms in eleven countries and ministered healing in fourteen countries. So many testimonies of God’s goodness. One story she told was how they opened a Healing Room in Gabon in a garbage dump. So many people came for healing she prayed for them in groups. One such group was of five women who all had pain somewhere in their bodies. The Lord had shown her Psalms 2:4, how God laughs at the enemy. She told each woman to take the pain and put it in their hand in front of them. Then she said, “Laugh at the pain.” They did and the pain left all of them!

In Nigeria Carol goes to the YWAM camps. The YWAM National Director had told her she was welcome at any of them and she would be safe. The Director of the Nigeria YWAM asked Carol what she was doing there and she replied, “God sent me, so.....”

“Nigeria is a wicked country full of militants who are all murderers. But God told me in a prophecy in January 2016, ‘Carol, stop looking for safe places because I am your safety. I am going to put you in the middle of a war but I am your peace. Show me your faith and I will show you My faith by what I do.’”

Carol counts it a privilege to be an instrument to help people be healed. Her main passion in training Healing Rooms is for people to connect with the Heart of God. When you know Whose you are and who you are everything else falls into place. Carol’s amazing stories and testimonies will rock your world and strengthen your faith.

David Hauser, Region 7/8 Director

Healing Rooms in Pasadena, California, USA where David and Glendae direct, has exploded the last couple of years.

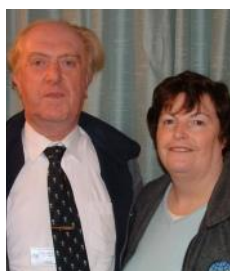

Pasadena has a large Asian community, and God has opened a door for a team of five to seven to travel to Taiwan in April. Two members of David’s team are there now preparing the way; Pastor Sherry, who was healed at the Pasadena Healing

Room, then joined the team, and Ray who is learning the language. This event is pulling pastors together for April 2017!

There is a cancer hospital in Taiwan that has reserved two rooms just for Healing Rooms and they will also allow teams to circulate throughout the hospital to pray.

Paul and Eve Clift, Southeast Europe and UK Divisional Directors and England and Wales National Directors

Paul gave an exciting testimony of what God is doing in their division!

This year there was a change in **Scotland** as he received word that the National Directors were stepping back from their position. No sooner had he emailed Alison Tyrrell, Administrator for Healing Rooms Scotland, than a reply was received that a couple came forward to step into this position over Scotland. Such a blessing - no void or lack for the leadership of this nation. The new National Directors for Scotland are David and Emma Stark, who have been with Healing Rooms Scotland since their inception.

The Starks founded Glasgow Prophetic Centre and through this ministry also send out Lion Bites, daily personal prophetic words. Queen Elizabeth II (among many other leaders) has gone to them for a word from the Lord. You can look them up online at www.glasgow-prophetic-centre.org.uk or via their Facebook page. Paul and Eve have had the pleasure of spending time with them recently. They are full of life and the love of God.

Albania has opened Healing Rooms!

Paul shared how they have been working with Sabri and Aida Kasemi for over two years to acquire their charity registration in Albania. This is a very intense court process as the courts must approve them as a nonprofit. They were declined twice but refused to give up.

Albania is the poorest country in Europe. The Christians of Albania as 'very evangelistic' people. On a recent trip Paul and Eve witnessed a group of their young people go into the busy business streets and witness to many.

They held a conference in May of this year to formally declare the opening of Healing Rooms in front of 60 Christian leaders, many are very supportive. The small church associated with Healing Rooms Albania, The Red Light Church, was evicted from their building because they were praying for people to be healed. BUT GOD has responded and they are now walking out a prophetic word given by Paul eighteen months ago. They have grown and expanded as they reach out to the poorest of the poor and feed and assist those in great need. They went from 50 members to over 300 in a very short time with a great space to meet in. **God is Good!**

As for **England and Wales**, 2016 has been *The Year of Change!*

Numbers - Healing Rooms this year went from 60 to 72 so far
More Healing Rooms are using the Market Place Model
Since 2012 there have been Healing Rooms in Costa Coffee shops
There are now Mobile Healing Rooms that use Motor Homes (RVs)
Healing Rooms are going into the prison
Charity Furniture Shop reports that people are experiencing salvation, healing and deliverance,
when simply going in to shop for furniture!
New Age conferences and most recently 'Pride Wales' aka LGBT, because God loves all.

Veronica Mee received a vision from the Lord, and via Costa Coffee's amazing support has seen this work for four years now. The model is different as they are in the open in coffee shops. For this to work Veronica has developed extra training. Each coffee shop has a large banner which a person sits beside. When approached by someone desiring to receive prayer they then have a team of two people simply sit with them at their table (under the radar so to speak) and "people are being born again and healed, it's amazing!" declared Paul. All Costa Coffee Healing Rooms have the Costa Brand and standardized Costa Banners and Leaflets.

Recently Veronica was at the first Costa Coffee when she was approached and told the National Development Manager wanted to speak to her. Concerned there had been a problem of which she was unaware, she was thrilled to hear this person say, "Here is my card, and if there is anything we can do for you, you *will* contact me won't you?" Hallelujah! www.costahealingrooms.com

The UK Conference was held in Scotland this year. The tangible presence of God was experienced by all in attendance. The angelic realm was seen. The Glory of God poured forth and all came to a stand still for almost an hour. Truly life changing times.

**Jean Whitstone – Caribbean Interim Divisional Director
and USA Region 4 Director**

Jean introduced us to Sue Zanski, her assistant in both arenas, giving her much praise for all she does—ministers/trains/teaches as they go forth to open Healing Rooms.

God's plans will come to pass, no one will stop them!

Jean shared how her first trip to the Caribbean was to lay in the sun. But has since realized her call is to serve the Son (in the Caribbean), and bring the knowledge of how to pray for others.

She also stressed the importance of the roles of leaders in the ministry. The importance of speaking into the lives of directors and teams on a constant basis.

They are planning a Tent Crusade in Jamaica for early December 2016. Teams from the US are going to be ministering. There is much Excitement!

There is a new Healing Room in Trinidad, the most southern Caribbean Island, and doors are opening in the nation of Tobago.

“We have had Healing Rooms on Grand Cayman for the last 2 years, April Lewis is the Director there and doing an amazing job. April also has leads into the Bahamas. It is amazing to watch God bring divine connections and appointments as they simply talk to people everywhere they go. She is hearing God say, “Cuba, Cuba, Cuba!” Much is happening! Much more to come!

Rick and Lori Taylor, North America Divisional Director and USA National Director

Began by sharing that he is a ‘seer’ and he could see angels that were all around. He declared the release of these angels to move and touch all in the Glory.

Rick shared how many peoples and ministries are being sent to Santa Maria to join what God is doing there; to be in His Presence.

The miraculous is seen and experienced daily. Santa Maria is a dwelling place for the Presence of God. **Isaiah 66, “Where is the one who will build me a house?” But Psalm 127 says, “Unless the Lord builds the house you labor in vain.”** So they prayed and asked for the blue prints to build God a dwelling place.

Faith – Faith clears the land and prepares the pad

Love – Love is the foundation that cannot fail

The Word – His Word is the structure to build upon the foundation. His Word is alive and active.

Unity – Unity is the nails, screws, bolts, braces and brackets that hold the structure together.
A house divided cannot stand. Protect Unity.

Prayer – Prayer is the fence!

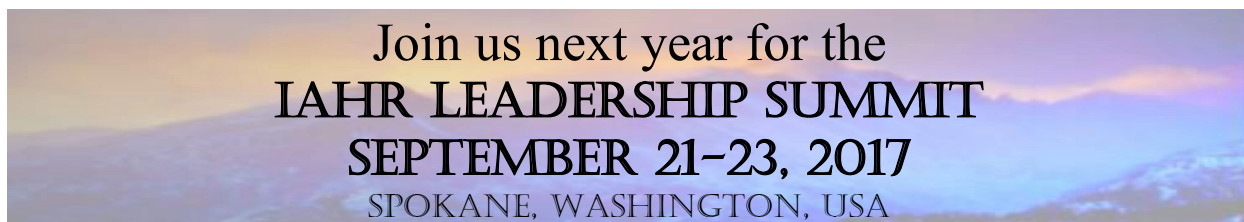

Thanksgiving – Thanksgiving opens the door. Attitude of gratitude unlocks the door (Psalm 100)

Hunger – Hungering for God fills the House; Be hungry for more of Him always.

Expectation – Expectation is the power grid. Life experiences will match expectations. Low expectations trap us in mediocrity.

Praise – Praise is the entry hall. He comes out of His chamber into the entry hall of praise.

Rick declared the ABC’s of who God is which drew His very presence even stronger into our midst. They are power filled declaration of who our God is! These declarations are listed on the next page.

Vine – John 15:1

The Nations gathered; ALL for HIM—
in service, in worship, in prayer, in His love, in fellowship

Testimonies...If God's done it for one, He'll do it for you!

Pasadena, CA - USA — Emily - I went to the Healing Rooms at the PIHOP on Monday, July 25th while awaiting results from an abdominal ultrasound I had had earlier that day, following several weeks of intermittent bladder pain and pressure. I was greatly distressed as my wedding, honeymoon, and move to a new county were under 3 weeks away. I was prayed over by a team of three, and left with great joy and assurance that God would heal me. I learned the next day when my ultrasound came back that the pain was due to a large ovarian cyst that was likely putting pressure on my bladder. Nevertheless, I continued to praise God, as I believed He would shrink the cysts (if He had not already.) I am excited to report that within two days, the pain and pressure I had been experiencing were completely gone. I am filled with overwhelming gratitude toward the Lord and am excited that I can transition into this next chapter of my life pain-free. Thank you for facilitating such a wonderful ministry that truly believes in God's healing power.

Tulsa, Oklahoma -USA— A man in his late 50's came to our Healing Room complaining of severe neck pain. He also wasn't sleeping well because of the pain and was "self-medicating" with alcohol every night to try to get more sleep. After a few visits to the Healing Room he said the pain was nearly gone and that he had stopped going to bars and drinking at night!

Edmond, Oklahoma—USA— A woman started coming to our Room who was severely depressed. She suffered from bipolar disorder, had undergone 6 back surgeries, and was addicted to pain killers. On top of that, her husband had recently committed suicide. She had to have shots and a neuro-transmitter implanted into her back. "In three months time I was healed from my mental illness," she says. "I was a new widow and never even asked for prayer for my back, and I was totally healed!" She now serves as one of the Healing Room volunteers.

Halifax, Nova Scotia—Canada— W.D.G.—I had been struggling with a change in eyesight clarity in my left eye. Over the previous week or so, it seemed like the prescription in my left eyeglass lens was wrong. With glasses on or off my left eye was noticeably less able to see things in focus. I have had a previous condition with a thickening of the cornea that produced a similar experience and thought it may be reoccurring.

My wife and I attended the Healing Room this particular night specifically for an ailment that my wife had been experiencing, but I thought I, too, would take advantage of the prayer team to address my eyesight concern. As we were waiting, praying and just enjoying the peace and presence of the Holy Spirit, I began to notice that my ability to see the front of the church was better and better. By the time I was called up for my prayer session, my eyesight had been restored to where I could see clearly through both eyes, equally. So my time with the prayer team was more of a praise report and testimony of what had already taken place while I was waiting.

This is a testimony to the presence and power of the Holy Spirit in the whole building and area at the time. Praise the Lord for what He does in His own timing and His own way.

Thanks for your faithfulness in creating the environment for Him to do His work.
