Healing is our inheritance! Read how God personally revealed this in a mighty way to one of our Directors.
story on page 6-7

Healing in His wings.

You don't have to look hard to realize the world is being shaken. Prophets are prophesying about the blood moons, the Shemitah cycle, the rise of end-time Babylon and the Antichrist. It is said this is the year of the great convergence, when all these things will happen at once. The way the world is going certainly seems to support these things.

In Matthew 24, Jesus tells us about His return and the signs of His coming. When I read what Jesus says in this chapter, and look at the signs in the world today, it sure has a tendency to get my attention. In verse 44, Jesus tells us when we see these things, to get ready; for the Son of Man is coming at an hour when we do not think He will. What makes this season different than prior seasons is the moral failure of the world, exemplified by recent Supreme Court decisions here in the United States. As one nation under God, we have been blessed to be a leader among nations of the world. Now, by rejecting God's mandate for marriage, our Supreme Court and President have set the stage for the enemy to rule our nation.

It is time to get ready as Jesus said in verse 44. As Healing Rooms people, we have to take our position

as we have an unshakeable Kingdom in us.

In verse 14, Jesus gives us a clear understanding of what we are to do when we see these signs.

We don't panic, run and hide or walk in fear. He tells us to bring the Kingdom of God to all nations.

It's time to put on the armor of God and go into battle. Our provision is in the Kingdom of God, not the world. In verse 13, Jesus says, "*But the one who endures to the end, he shall be saved.*" The word "saved" here means, delivered or protected. **God's promise to these end-time warriors is that He will protect us and be our Provider.**

Remember that as darkness comes on the earth, it's just a sign that the light will get lighter. Your Healing Room will become like a clearing house to move God's people out of the work and influence of the enemy into their place as warriors in the Kingdom of God. It's time get ready.

ONE VOICE

Thomas Benson
Spokane Healing
Rooms

Several weeks ago the Lord began to speak to me that I was to rest, be still, be quiet, don't worry and rejoice. So in an effort to be obedient I began to do those things, or I should say I tried to do those things. I found out how hard it really is to be quiet. For me the toughest part was the being quiet. I found that I could be still and not say anything but to truly be quiet you have to take all of your thoughts captive.

Even doing that I found that true quietness meant that all the voices I was hearing in the way of teachings, prophecy, messages, etc. were making it virtually impossible to hear His voice. The Lord then began to speak to me about dialing down the voices, damping them down until I could only hear the One Voice and then be obedient to whatever He was speaking.

I was told that I needed to learn to recognize His voice no matter how He would speak to me; whether it was audible, the inward audible voice, His whisper, even the very inflection and tone that He was using. Sometimes the tone or the inflection of our voice says a whole lot more than the words that come out of our mouth.

We hear when we listen.

Then a couple of weeks later I received a call from a prophet who said that he had a word for me. He asked me if I remembered those old wooden tops that you would wind a string around the top and then pull the string real fast to make it spin for quite a while. I said, "Yes, I remember those." I never had one but I remembered them.

He then said that the Lord showed me to Him as one of those tops. But that instead of one string there was more than string and that each one was trying to get me to spin in their direction, and that He wanted me to get it down to one string and one string alone. I knew immediately that this was a confirmation of the One Voice or One String.

The reason for all of this is that at the end of the age, which is where we find ourselves, it is going to be imperative that we can hear the Lord's voice clearly. There are many talking heads in the church today and more to come. You will be able to hear words, messages and prophecy that will fit whatever you want to believe, or whatever fits your doctrine or theology. In the book of Matthew the disciples asked Jesus what would be the signs of His coming, and in Matthew 24:4 Jesus answered and said, "Take heed that no one deceives you."

So what we want is to draw ever closer to our Lord and, like the Apostle John, lay our head on His breast so that we are able to hear His very heartbeat. We cannot afford to become deceived at this point in time there are many that will be depending on you for a clear and a sure word from God.

Blessings, Thomas

IAHR Leadership Summit 2015

The Summit this year was so much more than just the brief report of what was spoken and taught during each session. Please take time and view the webcasts that are being made available. You'll be blessed.

CAL PIERCE– IAHR International Director

Recent prophetic doom and gloom doesn't set well with Cal. He said we are not to be fearful! The greatest release of God is about to happen. We, as leaders, must prepare for the great awakening that is coming. We need to let that Kingdom come through us. Isaiah 60:1 *"ARISE, SHINE, for thy light is come, and the glory of the Lord is risen upon thee."* KJV

There are seven cycles of seven years, $7 \times 7 = 49$. 2016 is the 50th year. It's a Jubilee year! The Kingdom WILL prosper! It's the beginning of the increase of His Kingdom. There's a divine connection between man and the land. Romans 8:19, *"For the earnest expectation of creation eagerly waits for the revealing of the sons of God."* NKJV There will be a shift. Your Kingdom come, Lord! Game on, moving Heaven on earth. We need to stop fighting the devil. He's under our feet! We are going to have such a **love in this time that the power of this love, God's love, will supernaturally bring people back to Him!**" Rosh Hashanah, 2016, is the year of light, His Light shining through us. It's *arise and shine*, not sit and shine! You are the government of God. You've got His Kingdom inside you! Rise, shine and release the government of God. Just be a vessel for His Kingdom. That which is born of the Spirit (Holy Spirit) is Spirit.

DAVID RULEMAN – Region 11 Director

We need to remember to pray for Washington D.C. We have unrighteous rulership there now. Bless D.C. and pray that we would see a shift back to righteousness.

We shouldn't be duped into believing that the world is getting worse and worse. We have less war related deaths right now than any other time in history. In the 21st century there has been less child mortality. People are living longer, and more people are turning to Christ now, worldwide, than any other time in history! Nepal used to be a Hindu nation. Since the devastating earthquake in Nepal, so much Christian aid has poured into the nation that the government there has announced that Nepal would now be secular, and Christians are now welcome there! Most of the world's Christian population is growing faster than its population growth. The USA and Canada are the two largest areas of the world where this is not true. Christian population and the population growth have remained the same.

Why? Because Americans are quiet and keep to themselves and live in “peace” with the world. 75% of people in America say they are Christians. If even 10% start voting and then “come out of the closet” as the homosexual element of our society has, we’d start seeing a change. It is important to activate the Kingdom in our lives. Don’t be afraid to let people know. Demonstrate the Kingdom and then tell them it’s Jesus. Tracy Ruleman then shared that the Kingdom of God is voice activated. The enemy is trying to silence any opposition to his agenda. God created with His words and He gave us the ability to create through our words. Our faith gives our words substance. (Hebrews 11:1) Speak HIS voice. Isaiah 60:3 *“The Gentiles shall come to your light, And kings to the brightness of your rising.”* NKJV

JIM WHITE – IAHR Ambassador

There was a definite theme with the speakers. Jim assured us we are truly in the season it is possible to be a shadow healer! It’s all about His presence and His Kingdom coming! He went on to teach from Acts 1- 4 that the disciples received power after receiving the Holy Spirit and then went out in power and “spent it” by healing the lame man they had been passing by for years on their way to the temple. The reason for their filling was to spend it on others. After the disciples met opposition from the religious leaders of their day, they returned to their companions and all prayed together in one accord and got filled up again! We all need that re-filling. Jim called it an oil change. He reminded us of the story of the ten virgins, to have our lamps full and to be ready. We need to be ready because the next move of God is not for Christians (us). We need to stop worrying if someone won’t like what we are doing, or thinking we aren’t anointed or thinking we can’t do this or that...minister to the needs that we see around us.

He then invited anyone who needed an “oil change” to come forward. An hour later many were on the floor, some laughing, some crying and some off with Jesus having their own heavenly encounters. Worship, rejoicing and much thanksgiving was a definite result of this Holy Spirit refreshing. Lunch was a little bit delayed, but nobody seemed to care.

RICK TAYLOR, IAHR North America Divisional Director and USA National Director

A foundation that Cal has emphasized from the beginning years of Healing Rooms Ministries is that it’s not about us. It’s all about Jesus! It’s His Presence! Rick shared that hosting God’s presence is the most important thing at the Santa Maria Healing Rooms. Jesus’ life modeled walking and then releasing God’s presence. He said that there were three things needed for Jesus to do that.

An open heaven. As Jesus prayed the heavens opened and He got revelation. We can do the same. Pray expecting to see the door open to the heavens. There is a combination lock to open the heavens. First, thankfulness and gratefulness is necessary. Thank Him for everything. Second, we need to be hungry. There is a need to be filled every day. And third, expectation is key. Low expectation will lock you into mediocrity.

The second thing needed for Jesus to walk in and release God's presence is the same **power that came upon Jesus**. Jesus was filled with the Holy Spirit after John the Baptist baptized Him.

The third thing was that **He had understanding of His Sonship**. This gave Jesus His identity. He knew who He was, God's Son! *Identity released authority*. Authority is needed for the power to work, like gasoline and a spark; like nitro and glycerin. A deepening of knowing your identity as a son helps bring empowerment.

(Editor's Comment:) What a privilege we have, as Healing Rooms Directors, to make a place to welcome Holy Spirit and host His presence! Thank you, all, for making a place!

THOMAS BENSON – IAHR Intercessor

In the days we now find ourselves it is important that each of us hear what God is saying to us and do it. As Jesus did what He saw His Father doing and said what He heard Him saying (John 5:19, John 12:49-50) so we need to be listening carefully to the voice of God. There is nothing hidden that won't be revealed. Therefore, be transparent before the Lord and have a humble heart, being quick to repent if things are revealed.

Whatever things God does are redemptive in nature so pray for mercy. Pray for grace for our nation and the world. We are going to overcome!

Summit Testimonies, 2015 *If God did it for one, He can do it for you!*

Rick and I, along with 14 other representatives from various Healing Rooms in Florida, just returned from our yearly Leadership Summit in Spokane, WA. God truly amazed us during this conference. There was not one person in our group that was not mightily affected by the awesomeness of God's love raining down. In our group alone, there were people healed, refreshed, vision rebirthed and clarified, dreams were given, and there were hours of weeping and crying under the hand of God on and off the silver carpet. Yes, those of you who have had silver carpet time in the War Room (now Glory Room) know what I am talking about. God is stirring things up and there is a refreshing fire of God's healing love blowing throughout the International Association of Healing Rooms Ministries, bringing with it a greater manifestation of His Glory. Isaiah 60:1-3 We are arising and shining in this hour!

Two months ago I was stepping out of a friend's tall truck, forgetting I was in a tall truck! Expecting the ground to be one and one half feet higher than it was, I landed sharply on the concrete; not falling but jamming my knee sharply. I went through two months of pain killer and kinesiology tape for support. While here at the Healing Rooms Conference I declared healing and strength into it! Sept. 18th (still at the conference) while sitting down, my knee popped and I felt something shift and now NO PAIN! The tape is off and I thank you, Lord, for my healing!

Jan Kupka, Healing Rooms of Bellingham

The Lord gave me a vision at the IAHR conference of our team singer who sang "In His Presence" and as I closed my eyes I saw the Lord slightly above her and then falling into her space so that she became the Lord, and He filled the whole space she was in as she sang. She thus became one with the Lord as He sang through her. And as He did, the Spirit flowed out to all who took it in.

Larry George, Bread of Life Healing Rooms

HEALING IS Our Inheritance!

On April 1, 2015 I had an amazing encounter with the Lord, it lasted all day. When I got home I sat down and wrote about Healing as the Spirit led me. I want to share with you what He gave me.

Bless the Lord, O my soul; and all that is within me, bless His Holy Name. Bless the Lord, O my soul; and forget not ALL His benefits, who forgives ALL your iniquities, who heals ALL your diseases... Psalms 103:1-3

I Am the Lord that heals you.
I Am the Lord your Healer, your Physician.
I sent My Son for your freedom.
Freedom from pain, freedom from sickness, freedom from disease.

I Am the Lord that Heals you.

I have given you ALL power and ALL authority over ALL the works of the enemy. Rise up in strength, rise up in power and use the Name above every Name. Command sickness to go!
Lay hands on the sick and see them delivered.
Rise up, My beloved, My bride, for ALL creation is waiting for you.
I have already done it. I sent My Word to heal you. Now use My Word to heal others.

I have called you, appointed you and anointed you.
I have filled you with My Spirit, to do great exploits in My Name.
The Son of God was manifest that He might destroy the works of the devil.

Like a diamond has many facets so there are many ways I healed -

- I spoke the Word
- I laid hands on the sick
- I took dirt from the ground and spit on it and made clay, to create new life.
- I spit on the blind man's eyes.

I can use anything and anybody to bring life to My people. (Luke 9:1-2)

I gave the 12 power and authority to heal and to cast out devils.

I sent them to preach the Kingdom of God and to heal the sick. (Mark 16:15-18)

And to those who believe, I still say to you, Go, preach the gospel of the Kingdom and I will be with you. I will perform My Word.

Lay hands on the sick, tell them the Kingdom of God has come near them. Tell them, this day, the Kingdom of God is at hand. Who's hand? Your hand!

There is a transfer when you lay hands on someone. Jesus knew when the healing virtue left His body.

Learn to flow in the anointing. Learn to know when My virtue is flowing from you to heal.

My name is Jehovah Rapha, I Am your Healer, I Am the One who -

- Repairs
- Restores
- Heals
- Mends
- Fixes
- Cures

Psalms 107:20 He sent His Word and healed them

Isaiah 53:5 We are healed by His stripes

1 Peter 2:24 Jesus bore our sins in His body on the tree, that we should live.

By those stripes we were healed.

- We are healed by His stripes.
- He took the beating for us.
- We didn't deserve forgiveness
- We didn't deserve eternal life
- We didn't deserve healing...

But God! He so loves us.

But Jesus! He paid the price for us all.

Miracles take place, for His Glory.

My Son, is glorified through signs and wonders.

When His name is lifted up, I move My hand on His behalf.

In John 14:13 it says,

Whatever you ask in My Name that I will do, that the Father may be glorified.

Greatness is in you, Power is in you, the Glory of God is in you.

Arise and Shine, be that light in the world.

All of Heaven is cheering you on!

For His Glory,

Linda Keough

Healing Rooms Kids Summit 2015

Barbie Hunt started Healing Rooms Kids several years ago in Healing Rooms of Hopkins County in Kentucky, USA. She is the author of the Healing Rooms Kids Training Manual and DVD.

“We can’t do what we’ve always done with kids if we want miracles,” says Barbie. “We are naturally supernatural. It’s just been trained out of us adults.”

Before they pray for people they take time to ask God and listen to what Holy Spirit is saying about what they will be praying for that day. The little ones may draw pictures as they begin to trust the pictures they see in their minds and the words that are whispered in their spirits by Holy Spirit. You don’t have to be a grown up to be Spirit led.

The condition of the children’s hearts are very important. As adult leaders we need to pay attention to what’s going on in their hearts. It’s all about the heart. They talk about it a lot. If they are not getting along with each other, they talk about it. They need to honor each other and love those coming for prayer. If they aren’t ready, they don’t put hands on people.

Barbie made a declaration that when the kids put their hand on the door handle to enter, they are stepping into God’s presence. If the kids start making a tent out of the prayer shawls it’s going to be a day to go to the “Secret Place”. If the kids are warring and fighting, they are just reflecting what is happening in the culture that is influencing them, so they talk about being on a team and working together. They discuss how important it is to value one another. Barbie says it didn’t always look pretty, but they have learned to enjoy the holy chaos.

The kids team watches a lot of You Tube videos to see how other people pray for healing. They also have guests come in to speak prophetic words over the children.

There is also an intercessor present during their gatherings to pray for team but not interact with the kids. By the time junior high hits they already know who they are, sons and daughters of God, and the gifts and talents God has placed in them.

Pam Walker is the head of the Kids Prayer Team in Spokane. Her heart is that it’s an honor and privilege to help provide a place for His presence so the kids can have a safe place to learn how to hear God’s voice and get to know Jesus better. But, most importantly, that they experience the love of God...to truly know and feel how much God loves them! It is from this place that healing flows to others.

Testimonies...If God's done it for one, He'll do it for you!

Four years ago in July 2011, I was diagnosed with incurable cancer of the blood. 40% of my blood cells were cancerous. This summer, 2015, they ran tests on my blood and the report said they could find no evidence of cancer. Praise God! I had many pray for me and over me. Also, my wife and I took communion every day for the four years (and still do). I also stood, not wavering, on the word He gave me in Mark 11:24, "If you believe you're healed, you are already healed!"

Barry Hill, Spokane, Washington

My son was diagnosed with Cerebral Palsy. He asked to go to the Healing Rooms for prayer and received a miraculous healing by faith and through intercession and laying on of hands. I saw his leg grow and heal before my eyes. His right hand, formerly "withered", could now grasp and stretch and pinch. His body was properly "listening" to his now healed mind. He was receiving the mind of Christ. Amen!

(no name included on the testimony form)

At a training conference in Lima, Peru, as part of the demonstration of how we pray for the sick in the Healing Rooms, a pastor's wife was healed of lupus with the demonstration of physical changes before her husband and attendees of the conference.

At another training conference in Lima, Peru in July of 2013, a pastor asked for prayer for his son during a break. He was healed instantly of asthma and it has not returned.

Fred and Laura Friend, Divisional Directors of Latin America and Mexico

My 14-year-old daughter was paralyzed by a virus called *Cuillain Barre Syndrome* which came on her very suddenly. She was unable to stand and was eventually unconscious. For 2 1/2 hours she was having difficulty breathing. In hospital the doctors were advising an MRI and tests involving spinal fluid. The family and Healing Rooms Team prayed and worshiped until she regained consciousness. Within 24 hours she was completely healed with none of the above symptoms.

Yudi Santosa, Indonesia

A man died at work in 2012 and God raised him up from the dead! He is alive and has turned his life back to God. His marriage has been restored and he was able to attend his son's wedding.

*Mark 16:18b ...they shall lay hands on the
sick and they shall recover.*

We are an association of Healing Rooms Ministries in churches and cities with a common vision to re-establish healing in the Body of Christ. Our commission is based on Mark 16:17-18, "And these signs shall follow those that believe...they shall lay hands on the sick, and they shall recover."

The vision is to see Healing Rooms in every city and every nation, linked together in unity around the world. Our goal is to establish uniformity and accountability in each work by offering, through association, the tools to properly equip each Healing Rooms.

Our focus must be on the presence and power of the Holy Spirit who works through us to heal the sick. To Him be the glory!
