2018 ~ God's Open Door Policy

This is the year of the open door on the Jewish calendar. This is very significant to us in this time of history. God will always fulfill His promises to us. He has promised in Revelations 3:8 that in the end times He will put before us an open door -

"I know your deeds. Behold I have put before you an open door which no one can shut, because you have a little power, and have kept My Word, and have not denied My Name."

This promise will be fulfilled when the time is near, as written in verse 3 of Revelations, chapter one. We are told to hear this prophecy and heed it. Notice, the door is open because we have little power and have kept His Word. The door is open for our access so that we will move from little power to the power to do the greater works.

So, how do we access the open door? In Ephesians 3, we are told that we have bold and confident access through faith in Him. We have access through one Spirit, which is the Holy Spirit. When we enter through the door of God's storehouse, by faith, our faith assigns the Holy Spirit to the fulfillment of the Word of God. Our faith is the vehicle for the things of God to move from the realm of the spirit into the natural realm. Now is the time to enter in with boldness and faith, so that, by the Power of Holy Spirit, we will begin to do greater works than what Jesus did! (John 14:12)

We are called to be overcomers. The world is not to overcome us, we are to access God's provision and overcome the world. Let's enter through the door of Heaven and access our provision so we can establish His Kingdom on Earth as it is in Heaven.

Kingdom Blessings!

Confident Expectations!

The word the Lord gave me for 2018 is wrapped up in Isaiah 43:18-19. And you will find as you continue reading I am not the only one.

“Do not [earnestly] remember the former things; neither consider the things of old.

Behold, I am doing a new thing! Now it springs forth; do you not perceive and know it and will you not give heed to it? I will even make a way in the wilderness and rivers in the desert.”

I have sensed for over a year now that we will see major changes soon. When this verse kept coming at me starting Dec. 21st (3 times that day) from many avenues I was convinced the Lord is speaking a NOW word to us all.

I requested from our leadership over the nations to share with us the word for 2018 they heard from the Lord. Enjoy!

As I was praying and ministering recently, the word the Lord dropped into my heart for 2018 was **HOPE**.

David & Jayne Ann Harder
Cyprus National Advisors

As prayer ministers, we have so many people who come to our Healing Rooms desperately reaching out for **hope**. In a sense, they are "fleeing" sickness, disease, heartache, etc., and they need help to "take hold of the **hope** set before us" so they may "be greatly encouraged." We get to help them experience "this **hope** as an anchor for the soul, firm and secure." (Heb 6:18-19 paraphrased).

We want to turn people who are hopeless into people full of **hope**! "Hope deferred makes the heart sick, but a longing fulfilled is a tree of life." (Prov.13:12). Let's plant seeds of **hope** and healing in this new year that will grow into beautiful trees of life! My prayer is that we will help

many, many more people overflow with **hope**. And joy! And peace! By the power of the Holy Spirit! (Rom 15:13)

You are **Hope** givers! You are **Hope** funnels! One definition of **hope** is "to have confidence." I am confident that our God will use each of us, in 2018, to set captives free and pour into them **hope** (confidence) in Jesus' power to heal! Be praying that the Lord will send your team more people who need a touch of His **Hope** so they will never be the same!

What the Lord is saying to the Nations

At our Healing Rooms prayer meeting on New Year's Eve as we prayed in 2018 God gave me, "Step out, Step in, and Step up."

He said, "Step out of the past. 2017 is finished. Step in to all I have for you in 2018. And Step up to greater heights than ever before. Have greater expectations of what I will do in your midst this year."

- John & Marilyn Edwards, *Asia Divisional Directors*

The theme and the word the Lord gave me for 2018 is out of James 4:8, "Draw near to God and He will draw near to you." Some of us have been waiting for God and all along He is waiting for us! This is the year of the Open Door, the door that has previously been locked will be opened as we draw near to God and as we move from seeking His hand (seeking the things we need), to seeking His face. If we move from distraction and fall back in love with Jesus, "Seeking first the Kingdom of God and His righteousness", locked doors will open and "all these things will be added to us." The key to unlocking the doors is getting back to gazing on the beauty of Christ, beholding His face.

THIS IS THE YEAR FOR THE MANIFESTATION OF MIRACLES

I hear the Lord saying: "Get ready, get ready, get ready for a mighty outpouring of My Spirit in 2018, the likes of which you have not seen before. Have I not declared in My Word to you: heal the sick, cast out demons and, yes, even to raise the dead? As you press into Me in the days to come you shall see a fulfillment of My Word through you and the Healing Rooms Ministries. I am a God who is watching over My Word to fulfill it and to bring it forth into being.

Rich & Dottie Kane
Israel National Directors

"For I desire through the healings, miracles, signs and wonders that you will behold, to bring many who do not yet know Me into My Kingdom. So, press into Me, spend time in My Presence, believe that I will show Myself strong on your behalf. For I desire to bless you and, yes, even to give unto you the desires of your heart.

"You will lack in nothing. For I will provide unto you all that you have need of. Ask largely of Me, for there is no lack in My Kingdom. The silver and the gold are Mine declares your God. "

This is what the LORD Almighty says: "In a little while I will once more shake the Heavens and the earth, the sea and the dry land. I will shake all nations, and what is desired by all nations will come, and I will fill this house with glory," says the LORD

Almighty.

"The silver is mine and the gold is mine," declares the LORD Almighty. "The glory of this present house will be greater than the glory of the former house," says the LORD Almighty. "And in this place I will grant peace," declares the LORD Almighty." Haggai 2: 6-9

This is the year for the 'manifestation of mighty miracles' through the Healing Rooms to be seen throughout our land. All things are indeed possible to those who believe.

Behold I Am Doing A New Thing Says The Lord! Isaiah 43:18-19

Maggie Baratto
Canada National Director

I see “the turning of the tide” and a shifting of gears - a momentum is being created and sustained by the Spirit of God. I see the Spirit of God undergirding many who have felt weak and helpless in the past season. An undergirding with strength and encouragement that will instill courage and boldness to declare the word of the Lord.

I see fulfillment of many promises and I see dreams coming true in this season. Resurrection Power, it’s the stuff dreams are made of! It’s the power for miracles, signs and wonders! And I see a great company of God’s people gathering together to proclaim and testify of the great miracles they have seen God perform on their behalf. I see the fulfillment of many hopes.

Our Father is on the move. He is moving into the spaces and places we have prepared for Him in the past seasons. He has increased our capacity to receive more, this is the time to receive more. More of His glory and His presence. He is manifesting His glory in ways that will have the enemy utterly shell shocked! It will be an unusual season and unusual things will occur in the Body of Christ.

This is the hour of “a great reckoning” and I see a tsunami coming called “Restoration”. It contains within its wave many things that have been lost. They are about to be deposited into the lives of their original owners. It’s like Heaven’s “lost and found department” is being activated and cleared out. What has been lost will be found in this season. I see many unfulfilled promises sitting on the horizon and today they are being activated for fulfillment. Promises fulfilled are being swept into the lives of those who have contended for them. Impossibilities are being made possible!

I see ‘the turning of the tide’ and a shifting of gears

I see that many of God’s people have lost heart during the contending and some have walked away from these promises but God has not forgotten; He remembers and will bring to you the desires of your heart. His kindness will break through and lift up the discouraged and the disheartened warriors.

I see a fresh wave of God’s grace sweeping across our land and with it is coming a loosening and a washing away of sharp “prickly” thorns that were once embedded deep into hearts and minds. The “prickles” have wounded and impeded the flow of the Spirit in the past but now they are shriveling up and are dying. With the removal of these thorns comes an ease for greater unity within the Body of Christ.

Fiery trials and crisis have led many in the Body to the place of humility, desperation, and brokenness and they have laid it all down for the Kingdom of God, they have become whole-hearted in their journey with God. And now the Father is coming to those ones and casting upon them a new Mantle – a fresh anointing of grace and power to run the race before them. They are the Apostolic warriors who are entering into new lands and new territory for there is much to prepare and much to do as many souls hang in the balance. This is the hour of harvesting and reaping and casting down and raising up!

I see the eyes of these Apostolic warriors being cleansed and anointed with wisdom and discernment to “see” clearly the vision and task at hand. Provision is sweeping in and being deposited into the hands of those

(continued on next page 5)

with wisdom and the grace to steward great wealth. And none shall lack because the Apostolic anointing will be present to distribute provision as it is needed.

I see a large number of prodigals returning to the church. They are coming as a great force, a reckoning, and a resolve to storm the gates of hell and bring many souls into the Kingdom of God. Their hearts are on fire with the Father's love and resolve. Their presence will infuse strength and hope into the rest of the Body of Christ. They are unstoppable and unrelenting in their assaults to take back from the enemy all that has been stolen from themselves and their generations.

Giants of the Faith are rising up and they can be described as ones who walk in the authority and the spirit of Elijah. They are preparing the way! A voice of one is calling out, "Clear the way for the Lord in the wilderness, remove the obstacles; Make straight and smooth in the desert a highway for our God." Isaiah 40:3 Behold, I am going to send you Elijah the prophet before the coming of the great and terrible day of the Lord. He will turn the hearts of the fathers to their children, and the hearts of the children to their fathers [a reconciliation produced by repentance], so that I will not come and strike the land with a curse [of complete destruction]." Malachi 4:5-6.

I hear the Voice of God speak through them to confront and cast down the false/profane and establish and build what is true/holy. They prepare and break through to propel and release others in the Body of Christ into their true identity and destiny. They speak with boldness as miraculous signs and wonders follow them. I see the fear of man drowning as the fear of the Lord rises up in the hearts of these true Apostolic fathers and mothers. Sons and daughters are rising up!

2018 will be a year of taking and establishing new territory for the Kingdom of God. An Apostolic army is being mobilized! We are moving beyond the breakthrough in this season. There is no turning back! The land before us is ripe and ready for our feet to enter in! We are made for this! Let the mighty take-over begin! Wow, this is good! Cheers!

I AM Jesus Christ the Lord, your God, and all My servants, listen to My Words, and take note of every single one of My Words. For whoever has ears, let them hear.

I tell you for I, your Lord, work in all things to bring good to those who love Me. I tell you again, for I AM your Lord, working in all things to bring good to those who love Me.

For I say unto you My servants, let every man, one by one, have more heart that loves ME, your Lord, become people that love your Lord more, be a servant who loves your Master more and become a child who loves ME even more as your Father.

But I tell you how you can love Me. It is written that whoever holds onto My commandment and does it, he is the one who loves Me, and when he loves Me, he too will be loved by My Father, and I will love him and will reveal Myself to him.

Therefore I say unto you all My Commandments, all My Words and My Truth, do all of them in your life, and that is when you love ME. *(continued on page 6)*

I say again to you, all My Commandments, every Word and My Truth, whatever it is, do it all in your life, and that is when you love Me. Do not just be a reader of the Word, do not just be a listener of the Word, but be doers of the Word, doing every Word of God in your life, because that is when you are loving Me.

If the Word says, whoever welcomes the Kingdom of God as a child, then I say unto you, be that little child. I tell you whoever does not welcome the Kingdom of God as a child, then he will not enter it. Why would I say this to you, My servants? Because you enter a new year, and I tell you that you live in a wicked world, that will do everything and anything in every way to accomplish whatever it desires, but I say this unto you, be like a child. I say this unto you, little child, they look at things simply with their innocence and with not much calculation, not much thinking, they always rejoice, if they have dreams, if they have desires they will believe with all their hearts. Every desire they have they will achieve, they never think of how, but only think that they will get it, then I say unto you, My servants, be like those children.

Step in with your faith to enter this New Year, I say this unto you is not faith the basis of everything you expect and the proof of all things that you have not seen? If you have not seen it now, if you do not see it now, still believe it! Continue to walk in belief that you will receive it, be like a child, when they are hungry

**...wherever you seek ME, you
will find ME, wherever you
praise and worship ME...
MY blessings will be with you
always.**

they believe that their parents will provide food for them, they do not think of how, they do not think about how to prepare the food, they believe that when they are hungry, they will definitely eat.

Then I say this unto you once again, you are My servants, there are times when you should do what is yours but there are times also that you need to be like a little child, trusting ME, your FATHER, do not look for a way out by yourself, do not waste your

time thinking with your mind, but surrender everything and believe that nothing is impossible for ME. What is impossible for you, I can do it.

I say unto you, MY servants, step into this new year like a child full of joy, give thanks always, walk with your simplicity to face everything, believe in Me that I, the Lord of this universe, will never leave you, I am with you always, step by step, day by day, month after month.

If people in this world say this year is a tough year, if the people in this world say this year is a year full of challenges. believe that this year for you is a year full of MY blessings. If you believe it, you will receive it.

For this I say unto you again, there has been written that if thou shalt not receive the Kingdom of God as a little child, then he will not enter it. If you love ME, do it, whoever has ears to hear let him hear.

I say unto you once again MY servants, do not be afraid and worry anymore about anything, even though the world tells you, it is humane to feel fear, it is humane to feel worried, but I say unto you, it written do not be afraid, just believe. So never be afraid anymore, trust in ME, I am the Immanuel who will be with you always to the end of the age. I will never leave you, not even once, and I say unto you that MY presence and power are not only in this place, wherever you seek ME, you will find ME, wherever you praise and worship ME, you will enjoy MY presence more, and wherever you go, MY blessings will be with you always.

So now receive these blessings from ME, I bless you and protect you, I shine upon you with MY face and give you grace. I turn My face upon you and give you peace. Receive all the blessings of the Father and I, His only Son, and fellowship with the Holy Spirit will be with you always from this moment until forever.

God's Heart for Healing Rooms in China in 2018

At the Healing Rooms, people will be encountering God and their true identity will be released. They will enter into their destinies in Christ. This year a lot of people will be raised as warriors and they will be commissioned and sent out as God's armies.

The Elijah HR (Kunming City, Yunnan Province): God will empower us to possess the gates of God's enemies. God's glory will fill this place, more and more people will know and embrace God's healing.

The Tree of Life HR (Kunming City, Yunnan Province): God will accelerate us, transform our weapons for spiritual warfare. God will give us keys to the doors in front of us. We take care of casting out the nets and God will take care of the fishes we will get.

Qujing HR (Qujing City, Yunnan Province), "I know your works. I know that you have but little power, and yet you have kept My word and have not denied My name. Behold, I have set before you an open door, which no one is able to shut." (Rev. 3:8). Minister as how Jeremiah did.

Yuxi HR (Yuxi City, Yunnan Province): God's living water will constantly flow from this room to feed the thirsty men and women, old and young, who wear rags and feathers.

Kashgar HR (Xingjiang Uygur Autonomous Region): Isa. 61; Psalm 89:1-27

Unity HR (Haikou City, Hainan province): HR is a grace and blessing from God, through it will pour out abundant grace and blessing to His sons and daughters. With His love, He will shake our Healing Room to fully enter into this ministry.

From the *HR of Joy* (Guangzhou City, Guangdong Province): "He called the twelve together and gave them power and authority over all demons and to cure diseases, and he sent them out to proclaim the kingdom of God and to heal." (Luke 9:1-2) Receive the Lord's power, authority, and healing and proclaim the Kingdom of God.

Arise, shine, for your light has come, and the glory of the Lord has risen upon you. For behold, darkness shall cover the earth, and thick darkness the peoples; but the Lord will arise upon you, and his glory will be seen upon you. And nations shall come to your light, and kings to the brightness of your rising. The HR of Joy will rise and shine, God's glory will find you and shine upon you! Nations will come to your light, and kings to the brightness which you have found.

The Word of the Lord for Japan

Isaiah 8:8 "...and its outspread wings will fill the breadth of your land, O Immanuel."

Japan Healing Rooms has been striving for and establishing the oneness among the members and among the Healing Rooms.

After 10 years, because of this level of oneness, we feel we are ready to spread our wings over this land and to birth and to nurture new Healing Rooms that are coming forth in Japan. New Healing Rooms will feel they are included in the oneness we created.

One Tuesday morning at the Healing Rooms of Olathe, we were praying in the War Room while preparing for whoever might come in that day. One of our dear sisters was praying about having child-like faith and the Holy spirit came upon me and revealed Father's heart.

He showed me that it is because of my harsh childhood (of which I have very little memory) that I don't know how to have child-like faith. Three of the four of us in the room had had abusive childhoods without the loving, nurturing upbringing. I didn't know how to come to the Father with this kind of faith. I

began to ask the Father to teach me how to enter in in that manner. I also realized that there are many believers who have not had a wonderful childhood. This opened my eyes on how to better minister to others' brokenness.

As I began to share with the team, hearts opened to receive what the Holy Spirit of the LORD was doing. Rita experienced a ministering angel come and gently pull out what she described as a hard-plastic pink heart with electrical cords attached and then replace it with a beating heart. She then saw the angel take out of her right side a black box (also with some electric cords attached). The Lord then brought a vessel and poured His blood into that spot. She was doused with the Spirit!

I realized the black box was like the one on an airplane that holds the recordings....all those negative words and things still attached to a part of her were washed and purified. Another gal on the team jumped up and exclaimed, "Here I am – touch me – hug me!" She received a break-out of freedom to be hugged and touched! It was amazing how the Lord ministered deeply in our hearts through this revelation.

We have prayed more into this. There is another aspect of being "fully persuaded" in the faith. Jesus said in Mark 10:15, "Assuredly, I say to you, whoever does not receive the Kingdom of God as a little child will by no means enter it." (see also Mt 18:3-4, Luke 18:15-17)

Jesus has been teaching us to have child-like faith. He presents us to Father as His dearly beloved son or daughter. Child-like faith doesn't have to be persuaded with words, signs, wonders, proofs, or even our earthly experiences. This faith receives God's good news and gifts as it is given. Just like a first grader will receive as truth that $2+2=4$.

Help us, Lord, to enter in with faith, trust, and obedience as a child. We leave behind all doubt, unbelief, disobedience, pride, fear, and restlessness! We leave it behind as simply as putting off our shoes, as easy as leaving old things behind. We receive what God has ordained before time for each one of us to accomplish in this new season for His Kingdom purpose. We are entering into a season of transfiguration where the light of the gospel, the light of Christ in us begins to infuse every part of our being and we emit that light in dark places. Arise and shine! Take the Word of God revealed by the Holy Spirit through Christ and eat the meat of it, be nourished by it, rest in it, walk in it, live it, give it freely and reap the harvest of it! Give Him your first and best this season! God bless!

Testimonies... The testimony of Jesus is the Spirit of Prophecy

Uganda, Africa

David Kamukama had an accident and both his legs were broken, some parts of the bone were left in the road. Taken to the best hospitals and prayer places in Uganda he was always in agony. The doctors put metallic bones in his legs and he started walking on crutches. A friend directed him to our church. He says, "When I came to this church, the man of God called me and gave me three weeks, to be walking again. I said in my heart he is one of the liars who have been lying to me all along. I started counting. In the second week, I dropped one crutch, in exactly three weeks I dropped the second crutch but because of fear I remained with a walking stick. When I went to a shop a major in the army stole it and from that time I am well and walking." When David was scanned again he had no metallic bones, his bones are real bones!!!!!! What is that??"

Pastor Grace Kabuye, *Uganda National Director*

Since 'going mobile' and relocating our church's food kitchen in the poorest part of Victoria donations have been at a premium. Most of the people we serve - 17 in our last four sessions! - are homeless or on a limited income. Our team members have been generously sowing in to the ministry month by month to keep us afloat but this is not a long-term solution. As treasurer I check the donations box before every session to ensure there is no money there from the previous session. Imagine my surprise when I looked inside the box last Sunday and there was a brand new Can\$100 bill staring me in the face. Jubilantly I took it out only to discover another \$100! I was speechless and in shock as I took it out. When I looked in again there was a third \$100 nestled into the side of the box just waiting to escape from its confines. Praise God! And bless the anonymous donor for this huge generosity and for their support of our ministry and its survival.

An email received in Spokane Jan 14, 2018:

Dear Healing Rooms team,

In spring 2016 a malicious tumor in the intestine has been diagnosed. The surgery went very well and I recovered fast. But in February/March 2017 in a computer tomography they found a point on my lung and they didn't know exactly what it was.

On our roadtrip to the west coast of the US, my wife and I came to Spokane to visit the Healing Rooms. Two teams ministered to us on June 16, 2017.

After we came back to Switzerland I had to do a computer tomography again. In this tomography they found NOTHING on my lung, it is disappeared! Thank you, Jesus.

Please let the teams know about my healing as encouragement.

Thank you for your prayer and ministry to my wife and me.

God bless you,
Eros, Switzerland

Another Day at the Healing Rooms of Greater Syracuse

This testimony from USA Region 1 Directors, Vince & Deborah Aquilino, is not only powerful but an amazing teaching all rolled into one. I pray you will read and then share with your teams.

At the Healing Rooms of Greater Syracuse, we ministered to a young mother whose ears and head were in intense pain. She said her pain level was an 8 or 9 on a scale of 1 to 10. She indicated that her hearing was badly impaired and that what she could hear sounded like she was underwater. She had become good at reading lips. She had had repeated infections as a child due to a food allergy which had damaged her eardrums and subsequently developed scar tissue.

This woman had a "seer" gifting and was used to seeing things in the spirit realm, so we asked her if we could share what we saw as we worked through the prayer session. (We do not normally share such things directly with clients unless they are spiritually mature. If someone is not familiar with the prophetic gifts, it can cause the individual to become fearful.) She replied, "Absolutely!"

Before we continue with this testimony, it is necessary to share some insight into the prophetic gifts. God often speaks in either pictures or in words, and sometimes both. We see many examples of God speaking through His prophets in the Scriptures. As the sheep of His pasture, we are supposed to hear His voice. God is always speaking, but many of us miss it because we do not understand how He communicates. When the seer gift is in operation, we need to understand that what we see is a metaphor. For example, you might see what appear to be snakes wrapped around a person's ankles. It does not mean there are actual snakes. God may be showing that the enemy is trying to hinder that person's walk with God. When you see something, you need to ask the Lord what you are seeing, what to do with it, if the timing is right, and if the Lord wants it shared with the client or just addressed through prayer.

In this case, we were free to share what we saw.

As we began to pray for her, a team member saw a tight, metal-looking band around her head, wrapping around her ears. He had a sense that what he was seeing was the outworking of a curse, but he was not sure. He told her what he saw, and then we prayed some more. As we interceded, he saw the band loosen up ever so slightly. We asked her how her pain was, and she said that it was "somewhat better". We kept praying, but it would not release. The team member looked intently at the band and saw a word on the band. He asked if she wanted to know what the word was. (It is always good protocol to ask permission.) She said yes, and he spelled it for her: CURSE.

We then explained to her that a curse not deserved would not light, but would return to the sender. When Jesus remarked, "Here comes the god of this age, and he has nothing in Me", He was indicating that the enemy had nothing in His life to hang on to, no legal sin-right to afflict him. We gently shared that if a curse was affecting her, there had to be legal ground. We asked if she had any unforgiveness or some undealt-with issue that may have allowed the curse to light. She hesitated, because she was unsure at first. As we continued praying, the team member saw more words appear on the band. The words were "envy" and "jealousy". We told her the words, and she said she thought she knew what it was. She had a sibling, of whom she was envious and jealous, because of perceived favoritism on the part of her parents toward the sister.

We instructed her to ask God to forgive her for believing the enemy's lie. Upon reflection, she realized that there had been no real favoritism. As she repented with her eyes closed, the team member saw the band slip off her head and fall around her neck. She was wearing it like a necklace. We again asked about her pain level, which she said was now vastly improved. She blurted out that she could feel the weight of the band around her neck.

HONOR

Dear Rev. Cal,

I am writing this letter to thank you and your team for obedience to the Holy Spirit to re-open up the healing wells of Rev. John G. Lake. Since my call to ministry I admired and pursued the spirit upon him and Smith Wigglesworth. Later because of the desperation the Holy Spirit led me to Healing Rooms Africa Divisional Director, Carol Campbell, who later led me to you.

I have a big testimony, ever since you ordained me, the spirit of Elijah came upon me and My People Ministries. In a short time we have unquestionable testimonies of healings, creative miracles, mega mega big Holy Spirit Healing Crusades in cities and villages.

Thank you for accepting to ordain me and released the spirit of John G. Lake upon me.

We love you and your team. Africa will never be the same again.

(continued from page 11)

We felt the Lord was not going to heal her completely during this session, because He wanted her to press in and speak to Him about this in an intimate way. Now that the enemy's device had been removed, we asked God to completely restore what the locusts had eaten in whatever way He chose. We assured her that she would be completely healed. She left with a lot less pain.

The next evening, the team member and his wife saw this young mother at a public event. She was very excited. God had completely restored her hearing, and she had zero pain. She no longer had to read lips. In a follow-up email, she said that she had double ear infections from the time she was one year old until the age of 10 -- MONTHLY!

"I had so many surgeries on my ears that I can't even tell you how many. As a result of it all, it left me with half an eardrum in my right ear with only 50% hearing and a quarter of an eardrum in my left with a 20% hearing. I could not hear most men who spoke because they talk so low. I could not hear distances! For almost 32 years, this was my life . . . Praise be to Father God -- NOT ANY MORE!"

God is awesome!

We must understand that God wants His children healed more that we want to see them healed, but healing is often a process. There may be stumbling blocks in the way of complete healing that have to be removed (Isa 57:14). This is why it sometimes takes multiple prayer sessions to see healing manifest. Healing can be like a door with ten dead bolts. As each issue, or dead bolt (stumbling block), is removed, the door to healing will eventually open.

The enemy is good at bringing discouragement. Oftentimes the individual receiving ministry does not return, because the enemy convinces them it is not God's will to heal them. What a horrible lie of the devil! Another of his devices is to convince the individual that it is a lack of faith to continue to receive healing prayer. This also is a lie! God's Word says we are to keep asking, keep knocking and keep seeking until that door to healing opens. God says we will reap His promises if we do not faint. It is through faith and perseverance that we inherit those promises. By His stripes we were healed!

Be Invincible!

(Word from the Lord by Johnny Enlow on January 23, 2018)

"My children, from this day forward you are to be invincible. You are no longer to be pushed around and held back by the lies of your enemy. Yes, I tell you from this day forward you are to be invincible. Yet you say, 'How will I be invincible? How is that possible and what does it mean?'

"My children, I tell you it is simple. From this day forward, you will agree with Me and you will CHOOSE to be invincible. You will think invincible thoughts, you will anticipate invincible outcomes. You will no longer anticipate delay, trouble and loss but you will anticipate invincibility. I am in a winning mood and a winning mode and I want you to allow Me to showcase Myself through you.

"My children, the weapon that goes with this invincible mindset is the weapon of love. The optimal outcome for every scenario you are in, or will be in, is love. The power that is in love and the love that is in My power is what will guarantee your invincibility. Truly greater am I in you than the evil one - wherever on earth he operates. You are a super hero and NO giant can withstand you as you carry My invincibility.

"There is no person, no power, no presence that can triumph over the power that is in My love and the love that is in My power. It is now time to laugh at your challenges, to laugh at your obstacles, your debts, your losses, your setbacks, your health concerns, your fears, your anxieties, your impossible scenarios.

"Yet you say, 'No, You don't understand, I can't do that. My situation is serious.' And yet I am telling you the more serious you think your situation, the more I call on you to pick up the other mighty weapon of joy and go ahead and unleash it on your 'serious situation.' Add to it the artillery of fun and the bombs of ridiculous hope. Use all these weapons to devastate your enemy at every turn.

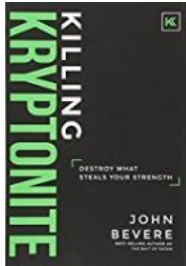

"It is time to be invincible. It is time for victory, after victory, after victory, after victory! I am going to take you from glory to glory. I am going to help you make up for all the lost ground. You are going to recover all meaningful things that were lost. Every loss you experienced in a Kingdom pursuit, I am doing something about it - and get ready to regain at a 7-fold level.

"I am shaking everything that can be shaken so that you, as an eagle, can rise and shine in an invincible Kingdom demonstration of My love and My power. As I shake everything shakeable, you be My tsunami of love and power that changes the face of everything. I am making you invincible because it's SHOWTIME for Heaven on earth. I will arise and shine through you and I will overwhelm and even suffocate darkness. I could do all this without you - but My great joy is to do it WITH you.

So, My children, rise up and let's be invincible - together!"

by John Bevere

Just like Superman, who can leap over any hurdle and defeat every foe, followers of Christ have the supernatural ability to conquer the challenges we face. But the problem for both Superman and us is there's a kryptonite that steals our strength.

Of course, both Superman and kryptonite are fictional. But spiritual kryptonite is not. This book offers answers to why so many of us are unable to experience the divine strength that was evident among first-century Christians.

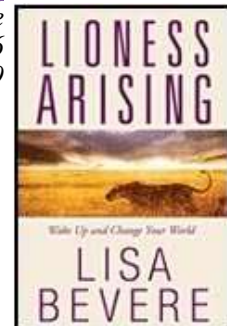

In *Killing Kryptonite*, you will find out what this kryptonite is, why it's compromising our communities, and how to break free from its bondage.

God Speaks

by Praying Medic

God is speaking to all of us. He communicates in many different ways. Some people hear Him through music. Others sense what He says through emotions. Some hear Him through thought impressions. Many receive messages from Him in dreams. The key to hearing God's voice lies in understanding the different means of communication He uses.

In this anthology, 28 writers will show you the different ways in which God speaks. Whether you're looking for help healing the sick, receiving prophetic revelation for others, or personal direction for yourself, these testimonies will help you hear God in ways you haven't considered.

Yes, God is speaking. And you can learn to hear Him more clearly.
